It's the Student, Not the College Kristin M. White, 2015-04-07 The future is in your hands not Harvard's. TO All students wondering Can I get into my dream college CC All parents wondering Can we afford it FROM Educational consultant Kristin M White MEMO COLLEGE RANKINGS DON'T MATTER This claim might sound crazy but it's true Research shows that where you go to school makes little difference to future financial success or quality of life personal qualities such as ambition perseverance and a sense of purpose are all more important Kristin M White has helped hundreds of parents and students look beyond the dream school hype and focus on what's most important Now in *It's the Student Not the College* she shows how to avoid unrepayable debt and set yourself up to grow excel and enjoy yourself at any school Instead of obsessing over GPA cutoffs and SAT scores students will learn how to build a personal Success Profile by adopting the traits that help stellar students make the grade in school and life Plus Why what you do in school counts more than where you go 14 surefire ways to develop your Success Profile as a student and beyond Criteria to consider when choosing a college How to find a good fit for your family's finances And tips for graduating career ready and landing a great first job Expensive elite colleges have too much sway over the minds and bank accounts of students and parents *It's the Student Not the College* breaks that stranglehold and reveals the real secrets of success

High School Senior's Guide to Merit and Other No-Need Funding 2005-2007 Gail Ann Schlachter, R. David Weber, 2005-05 There are dozens of other funding directories describing college aid But none of them are like this one First unlike other directories the High School Senior's Guide focuses only on merit and no need scholarships Not one of the programs covered here requires financial need Plus only programs open to college bound high school seniors are included No more scanning through hundreds of listings that apply to currently enrolled college students not to you In addition the entries here are grouped by discipline so you can go directly to the area you want to study Not sure what your major will be No problem There's even a section listing programs that are open to support studies in any area The High School Senior's Guide provides the only way to find money for college based solely on academic record writing or artistic ability speech making skills athletic success high school club membership religious or ethnic background parents military or organizational activities and even pure luck in random drawings Perhaps that's why College Financial Aid gave the High School Senior's Guide 4 stars its highest rating
