They include Dante's Paradiso Union Station the Zero Milestone of American democracy the U S Capitol the Almost Pink House the White House and many other historical and often hysterical journeys Buckley is the sort of wonderful guide who pries loose the abalone like clichés that cling to a place as mythic as D C Wonderfully insightful and eminently practical Washington Schlepped Here shows us that even a city whose chief industry is government bureaucracy is a lot funnier and more surprising than its media ready image might let on From the Hardcover edition

This is Not a President Diane Rubenstein, 2008 Read The Chronicle of Higher Ed Author Interview In This Is Not a President Diane Rubenstein looks at the postmodern presidency from Reagan and George H W Bush through the current administration and including Hillary Focusing on those seemingly inexplicable gaps or blind spots in recent American presidential politics Rubenstein interrogates

symptomatic moments in political rhetoric popular culture and presidential behavior to elucidate profound and disturbing changes in the American presidency and the way it embodies a national imaginary In a series of essays written in real time over the past four presidential administrations Rubenstein traces the vernacular use of the American presidency as currency as grist for popular biography as fictional TV material to explore the ways in which the American presidency functions as a transitional object that allows the American citizen to meet or discover the president while going about her everyday life The book argues that it is French theory primarily Lacanian psychoanalysis and the radical semiotic theories of Jean Baudrillard that best accounts for American political life today Through episodes as diverse as Iran Contra George H W Bush vomiting in Japan the 1992 Republican convention the failed nomination of Lani Guinier and the Iraq War This Is Not a President brilliantly situates our collective investment in American political culture **William Goldman** William

Goldman,2000-02-01 Applause Books A collection of five screenplays by this Academy Award winning writer Includes All the President s Men Magic Harper Maverick The Great Waldo Pepper Also features essays by Goldman Getting Even or Creative Accounting Sneak Previews or Why Did She Have to Die Hype or Consequences A Brief History of the Future Shooting from the Hip Don t You Know Anything About Screenwriting and Nothing for Me to Steal The Secret Life of an Adaptation The Gatekeepers Chris Whipple,2018-03-06 Now with a chapter on the chaos in the Trump administration the New York Times bestselling behind the scenes look at the White House Chiefs of Staff whose actions and inactions have defined the course of our country What do Dick Cheney and Rahm Emanuel have in common Aside from polarizing personalities both served as chief of staff to the president of the United States as did Donald Rumsfeld Leon Panetta and a relative handful of others The chiefs of staff often referred to as the gatekeepers wield tremendous power in Washington and beyond they decide who is allowed to see the president negotiate with Congress to push POTUS s agenda and most crucially enjoy unparalleled access to the leader of the free world Each chief can make or break an administration and each president reveals himself by the chief he picks Through extensive intimate interviews with eighteen living chiefs including Reince Priebus and two former presidents award winning journalist and producer Chris Whipple pulls back the curtain on this unique fraternity In doing so he revises our understanding of presidential history showing us how James Baker s expert managing of the White House the press and Capitol Hill paved the way for the Reagan Revolution and conversely how Watergate the Iraq War and even the bungled Obamacare rollout might have been prevented by a more effective chief Filled with shrewd analysis and never before reported details The Gatekeepers offers an essential portrait of the toughest job in Washington *How to Survive a Killer Musical* Douglas J. Cohen,2023-09-08 When the young composer lyricist Douglas Cohen first secured the musical rights to the novel No Way to Treat a Lady by William Goldman the acclaimed author of The Princess Bride and Marathon Man he hoped it would be his big break the first step on a gilt path to artistic triumph and commercial success in the form of a hit Broadway musical What happened after that while memorable was anything but How to Survive a Killer Musical chronicles

Cohen's decade long quest to bring that musical to the stage writing re writing and shepherding it across the US and Europe amidst all manner of adversity and plain rotten luck It's a fascinating portrait of passion persistence and resilience a coming of age story populated with famous mentors and formidable adversaries told with refreshing honesty and humor On Cohen's journey we meet an unforgettable vividly rendered cast of characters including an Oscar winning screenwriter who invites Cohen to his personal screening room for a marathon midnight writing session a Tony Award winning director making his comeback after a horrific accident renders him a quadriplegic and a celebrated volatile British director who inspires a fruitful collaboration in London only to later leave carnage in his wake Catastrophes abound including the near fatal stabbing of a female lead in rehearsal and an onstage accident incapacitating another leading lady leaving only the author to go on in her place Whether you're a fan of musicals or just someone who's trying to bring a passion project into the world this tale of fortitude in the face of obstacles personalities and egos will make for an eye opening and frequently hilarious journey
