a long overdue look at the music and stage act of rock music s self styled arch villain A provocateur from the very start of his career in the mid 1960s Alice Cooper aka Vince Furnier son of a lay preacher in the Church of Jesus Christ carved a unique

path through five decades of rock n roll Despite a longevity that only a handful of other artists and acts can match Alice Cooper remains a difficult act and artist to pin down and categorize During the last years of the 1960s and the heydays of commercial success in the 1970s Cooper s groundbreaking theatricality calculated offensiveness and evident disregard for the conventions of rock protocols sowed confusion among his critics and evoked outrage from the public Society s watchdogs demanded his head and Cooper willingly obliged at the end of each performance with his on stage self guillotining But as youth anthem after youth anthem I m Eighteen School s Out Elected Department of Youth rang out in his arena concerts the world over and across airwaves fans flocked to experience Cooper s unique brand of rock Critics searched for proper descriptions pantomime vaudevilleretch rock Grand Guignol In 1973 Cooper headlined in Time magazine as Schlock Rock s Godzilla In Experiencing Alice Cooper A Listener s Companion Ian Chapman surveys Cooper s career through his twenty seven studio albums 1969 2017 While those who have written about Cooper have traditionally kept their focus on the stage spectacle too little attention has been paid to Cooper s recordings Throughout Chapman argues that while Cooper may have been rock s most accomplished showman he is first and foremost a musician with his share of gold and platinum albums to vouch for his qualifications as a musical artist
