A Family Affair: Bonus Scenes Mary Campisi, 2019-02-16

I love reading bonus scenes or watching bonus clips on television. If someone told me I could read about or watch Mr. Darcy and Elizabeth Bennet get married, I would be beyond excited. Imagination is great, but there are times when I don't want to imagine or guess. I want to know. I even want to know when storylines change and what might have been. That's why I'm providing bonus scenes and extras from several of the **A Family Affair** books. I loved writing these scenes, and now I want to share them with you.

Enjoy Nate Christine's Wedding
A Family Affair Wouldn't you like to know what Nate Desantro was thinking right before he married Christine? For a man of few words, there was a lot going on in his head. And how about discovering Harry Blacksworth's thoughts as he prepares to give Christine away? That's definitely one you won't want to miss.

Lily is still one of my favorites, and she'll warm your heart with her innocent and yet spot-on observations about the wedding, life, and love in **Magdalena**. Always a Heartbeat Away
A Family Affair Summer I started **A Family Affair Summer** several times as I tried to get a feel for Tess and her backstory. I knew it would involve heartache, just as I knew that deep down, she still loved Cash. But the rest I wanted to find a way to take her as far from the life she thought she'd have as possible. Initially, that involved a calm, quiet man and a dog named Henry. That

storyline changed and I decided not to use it but it's a great bonus scene to let you see the possibilities maybe even wonder how the story might have been different Who is Sasha Rishkov A Family Affair The Secret What if Angie Sorrento's father turns up in Magdalena to visit his daughter and risks running into the only woman he's ever loved Angie's mother the one she thought died years ago He'll come so close to discovering the truth The Future Godfather A Family Affair The Wish This is a conversation you won't want to miss Pop tells Harry that when the time comes Harry will be the new Godfather of Magdalena and he'll make a darn good one Of course Harry doesn't agree When Harry meets Stephanie A Family Affair The Gift Harry Blacksworth is nobody's fool and while he might once have been the playboy good for nothing younger brother of Charles he's come into his own as a well respected and generous member of Magdalena's community When Cash and Tess hit a roadblock named Stephanie Richmond Harry's not going to let anything jeopardize their happiness Don't miss When Harry Meets Stephanie and read firsthand how he deals with the woman who thinks she can leverage a child to gain security The Real Stephanie Richmond A Family Affair The Gift And because first drafts and ideas change I'm including a scene I once considered using for the storyline In this version Stephanie isn't as soft and guileless as she appears in the final version of the book but straightforward and intent on letting Cash know exactly what she wants While I like the final outcome this is still an interesting read and portrays Stephanie Richmond's true personality Who's in the Cabin A Family Affair The Cabin Nate and Christine Desantro head to the cabin one last time before they sell it and discover an uninvited guest Elissa Cerdi has snuck away to the Blacksworths cabin for quiet and a chance to consider her future with or without a controlling ex boyfriend Her innocent and trusting ways prevent her from seeing that she's put herself in danger by choosing a secluded cabin Of course Nate and Christine aren't about to risk her safety even if she was Gloria Blacksworth's friend and confidante

A Family Affair: The Plan Mary Campisi, 2025-01-28 Sam Harrington had always believed committing to a detailed plan would guarantee success in his career and in his personal life In fact he was certain of it as he worked his plan and became a well respected veterinarian and one of the city's most eligible bachelors Life was good He had a career he loved respect friends and his family Until he chose the wrong woman and his carefully constructed plan crushed him Now he's back in Magdalena the place he once called home trying to repair the relationship with his family and find a way out of the mess his life has become What he doesn't need is an outsider in town especially one who oozes class and attitude Hope Newland moves through life according to a plan her mother devised when Hope was a child one that does not include a meager upbringing lack of a father or a small town background When her company decides to expand into the bed and breakfast market Hope is sent to Magdalena New York a town that has a reputation for attracting repeat visitors as well as future residents Hope's job will be to observe interview and figure out why this town and its bed and breakfast are so special Hope soon realizes Magdalena and the people in it might just be different and that includes Sam Harrington He makes her uncomfortable with his pointed stares and blunt questions as though he knows she's not as confident or high class as she

pretends and that makes him dangerous Sam's also in dangerous territory because he trusted the wrong woman before Still there's something about Hope Newland that draws him to her makes him wonder if she's part of a bigger plan one he can't control
