Pied Piper Hamelin Russell Trickster:

The Pied Piper of Hamelin Russell Brand, 2014-11-11 With this first book in Russell Brand's Trickster Tales series the famed comedian actor and bestselling author delivers a hilarious retelling of an old fairytale favorite that will appeal to adults and children alike Once upon a time long ago in a time that seemed to those present exactly like now except their teeth weren't so clean and more things were wooden there was a town called Hamelin The people of Hamelin were a pompous bunch who loved themselves and their town so much that if it were possible they would have spent all day zipped up in a space suit smelling their own farts But space suits hadn't been invented yet so they couldn't Then one day without warning a gang of rats bowled into the town and began causing a right rumpus So begins Russell Brand's wildly funny and surprisingly wise retelling of the classic tale The Pied Piper of Hamelin Whether you're a kid or a grown up kid you'll be chuckling the whole way through this zany story that bypasses Brand's more adult humor for the outrageous the madcap and the just plain silly Maybe you've heard about the Pied Piper before with his strange music and those pompous townspeople and pesky rats Or maybe you haven't But one thing is for sure you've never heard it quite like this *Focus On: 100 Most Popular English Male Comedians* Wikipedia contributors, **Celebrity, Convergence and Transformation** Douglas Brownlie, Paul Hewer, Finola Kerrigan, 2017-07-28 Bringing together the latest thinking on both celebrity brands and celebrity culture from academics specialising in the field of marketing this book explores a range of insightful contexts in order to add vigour and vitality to our understanding of the connections between celebrities markets and culture It unpacks the identity theoretics which have their origins in the turn to celebrity culture and the spectacle and glamour of mass media practices In doing so the contributors hint at new forms of individuation where the line between the virtual and the actual is blurred and where images of celebrities construct and deconstruct themselves This book was originally published as a special issue of the *Journal of Marketing Management* *The Pied Piper of Hamelin* Russell Brand, 2014 The inimitable Russell Brand brings his trademark humour to the classic children's tale in this beautiful edition fully illustrated by the award winning Children's Laureate Chris Riddell *Media and Affective Mythologies* Darren Kelsey, 2017-10-24 This book provides a timely political insight to show how mythology plays an affective role in our lives Brexit bankers institutional scandals the far right and Russell Brand's revolution are just some of the issues tackled through this innovative and interdisciplinary discourse analysis Through multimedia case studies Kelsey explores the psychological dimensions of archetypes and mythologies and how they function ideologically in contemporary politics By synergising approaches to critical discourse studies with the work of Carl Jung Joseph Campbell and other mythologists Kelsey's psychodiscursive approach explores the depths of the human psyche to analyse the affective qualities of storytelling Kelsey makes a compelling case for our need to understand more about the power of mythology in modern society Whilst mythology might be part of who we are societies are responsible for its ideological substance and implications *Media and Affective Mythologies* shows how we can begin to engage with this
