Forward Bible Study Guide Dr. David Jeremiah, 2021-01-26 In this six session video Bible study DVD digital downloads sold separately bestselling author Dr David Jeremiah reminds us that the Christian life is to be lived looking forward and with our eyes fixed on the race in front of us not looking back over at our shoulder at the other runners or the past In the Bible the apostle said as much when he wrote Not that I have already attained or am already perfected but I press on that I may lay hold of that for which Christ Jesus has also laid hold of me Brethren I do not count myself to have apprehended but one thing I do forgetting those things which are behind and reaching forward to those things which are ahead I press toward the goal for the prize of the upward call of God in Christ Jesus Philippians 3:12-14 NKJV Dr Jeremiah draws on this key verse to show that while it is good at times to look back we need to make sure that we don't go back and allow the past to dictate our future We need to celebrate our good memories but also celebrate our bad memories with finality thanking God for the lessons that He has taught us through the experience and committing to use those lessons to make positive changes in our lives We then need to allow our past memories to cultivate our dreams boldly stepping into the mission God has for us and allowing Him to continually transform us to be more like Christ Now is the time to step past our comfort and our failure Now is the time to move forward in following God Designed for use with the Forward Video Study available on DVD or streaming video sold separately

Abrutizat telekloss, 2025-03-09 Abrutizat is a profound and introspective work that explores the complexity of human emotions through the perspective of three characters who face distinct yet interconnected experiences In a direct and unfiltered writing style the author ventures into the depths of the human soul expressing thoughts and feelings that are often difficult to articulate Each character feels and lives differently and their stories weave together into a mosaic of pain confusion and inner searching Although the book is written in English it is not the author's native language and they apologize for any potential misunderstandings that may arise due to this

Nonetheless Abrutizat is more than just a story it is an invitation to look beyond the words and understand the complexity of the human experience A work about suffering fragility but also about the paradox of self discovery through inner chaos
