Keeping the faith Keith Gildart, Stephen Catterall, 2020-08-18 In the 1970s Northern Soul held a pivotal position in British youth culture Originating in the English North and Midlands in the late 1960s by the mid 1970s it was attracting thousands of enthusiasts across the country This book is a social history of Northern Soul examining the origins and development of this music scene its clubs publications and practices Northern Soul emerged in a period when working class communities were beginning to be transformed by deindustrialisation and the rise of new political movements around the politics of race gender and locality Locating Northern Soul in these shifting economic and social contexts of the English North and Midlands in the 1970s the authors argue that people kept the faith not just with music but with a culture that was connected to wider aspects of work home relationships and social identities Drawing on an expansive range of sources including oral histories magazines and fanzines diaries and letters this book offers a detailed and empathetic reading of a working class culture that was created and consumed by thousands of young people in the 1970s The authors highlight the complex ways in which class race and gender identities acted as forces for both unity and fragmentation on the dancefloors of iconic clubs such as the Twisted Wheel in Manchester Blackpool Mecca the Torch in Stoke on Trent the Catacombs in Wolverhampton and the Casino in Wigan Marking a significant contribution to the historiography of youth culture this book is essential reading for those interested in popular music and everyday life in postwar Britain

The Identity Myth David Swift, 2022-02-17 We are in crisis As a society we have never been less connected The internet and globalisation fuel ignorance and anger while the disconnect between people s reality and perceived identities has never been greater Karl Marx outlined the idea of a material base and politico cultural superstructure According to this formula a material reality wealth income occupation determined your politics leisure habits tastes and how you made sense of the world Today the importance of material deprivation in terms of threats to life health and prosperity are as acute as ever But the identities apparently generated by these realities are increasingly detached from material circumstances At the same time different identities are needlessly conflated through a process of reeling off a list of isms and phobias and are lumped together as though these groups all somehow have something in common with one another Th is process is not just inappropriate but obscures the specific nature of problems being faced In The Identity Myth David Swift covers the four different kinds of identity most susceptible to this trend class race sex and age He considers how the boundaries of identities are policed and how diverse versions of the same identity can be deployed to different ends Ultimately it is not that identities are simply more complex than they appear but that there are

more important commonalities In a powerful call to arms Swift argues that we must unite against these identity myths and embrace our differences to beat inequality

The Pie At Night Stuart Maconie, 2015-09-10 Factory mine and mill Industry toil and grime Its manufacturing roots mean we still see the North of England as a hardworking place But more than possibly anywhere else the North has always known how to get dressed up take itself out on the town and have a good time After all working and playing hard is its specialty and Stuart Maconie is in search of what exactly this entails what it tells us about the North today Following tip offs and rumour Stuart takes trip to forgotten corners and locals haunts From the tapas bars of Halifax to the caravan parks of Berwick Upon Tweed from a Westhoughton bowling green to Manchester s curry mile via dog tracks and art galleries dance floors and high fells Stuart compares the new and old North with some surprising results The Pie at Night could be seen as a companion to the bestselling Pies and Prejudice but it is not a sequel After all this is a new decade and the North is changing faster than ever This is a revealing and digressive journey and a State of the North address delivered from barstool terrace dress circle and hillside

Britishness, Popular Music, and National Identity Irene Morra, 2013-10-30 This book offers a major exploration of the social and cultural importance of popular music to contemporary celebrations of Britishness Rather than providing a history of popular music or an itemization of indigenous musical qualities it exposes the influential cultural and nationalist rhetoric around popular music and the dissemination of that rhetoric in various forms Since the 1960s popular

music has surpassed literature to become the dominant signifier of modern British culture and identity This position has been enforced in popular culture literature news and music media political rhetoric and in much popular music itself which has become increasingly self conscious about the expectation that music both articulate and manifest the inherent values and identity of the modern nation This study examines the implications of such practices and the various social and cultural values they construct and enforce It identifies two dominant conflicting constructions around popular music music as the voice of an indigenous English folk and music as the voice of a re emergent British Empire These constructions are not only contradictory but also exclusive prescribing a social and musical identity for the nation that ignores its greater creative national and cultural diversity This book is the first to offer a comprehensive critique of an extremely powerful discourse in England that today informs dominant formulations of English and British national identity history and culture

Connecting Self to Society Vanessa May, 2013-10-01 Belonging is often overlooked in its relationship to society and social change and yet it forms the bedrock of how we relate to the world around us Through the work of Marx Giddens and Goffman this book covers the familiar terrain of identity theory while going beyond it to other sites of identification and social change

A Taste of Honey Melanie Williams, 2023-04-20 *A Taste of Honey* 1961 is a landmark in British cinema history In this book Melanie Williams explores the many extraordinary ways in which it was trailblazing It is the only film of the British New Wave canon to have been written by a woman Shelagh Delaney adapting her own groundbreaking stage play At the behest of director Tony Richardson and his company Woodfall it was one of the first films to be made entirely on location and was shot in an innovative rough poetic style by cinematographer Walter Lassally It was also the launchpad for a new type of young female star in Rita Tushingham Tushingham plays the young heroine Jo who finds she is pregnant after her love affair with Jimmy Paul Danquah a Black sailor When Jimmy's ship sails away Jo is comforted and supported by her gay friend Geoff Murray Melvin while her unreliable mother Helen Dora Bryan has her own life to lead Candid in its treatment of matters of gender class ethnicity sexuality and motherhood and highly distinctive in its evocation of place and landscape *A Taste of Honey* marked the advent of new possibilities for the telling of working class stories in British cinema As such its rich but complex legacy endures to this day
