PILLARS OF DESTINY PAUL OMONUA,2019-01-11 GOD HAS A PLAN FOR EVERY PERSON DISCOVERING AND WORKING OUT THAT PLAN IS WHAT MAKES LIFE WORTH LIVING **Nine Pillars of Success** George Mfula ,2022-03-14

Nine Pillars of Success is a worthy read I believe everyone has a destiny but not every destiny will be successful Even at the coming of our Lord Jesus Christ there will be people who will have unfulfilled destinies Hence this book is written to hand over to you the keys you need to fulfill your destiny in a grand style with unparalleled results What is destiny Destiny is your fate fortune or future as designed by God in His wisdom before you were even born You are a destiny carrier by virtue of your existence in God You existed in the mind of God even before you were born physically I believe that God has deposited in you an incomparable future which is locked up within you What you have to understand is that destiny does not start here on earth It started before you were even born into this world You are not an accident by birth Your destiny and life are a well pre arranged agenda of God That is why you don t have to create your own destiny but all you have to do is to discover or locate the details of your destiny in Christ Jesus Thus this book is written to rewrite re define and unlock your destiny Hence you can t afford but to fulfill your God ordained assignment on earth in Christ Jesus **Relish the Splendor of His Glory** Princess Adenike Akorede,2013-12-27

Revelation is a product of divine visitation and inspiration which eventually transforms and humbles us in His presence Do you yearn for a change in your life Are you tired of life of shame rejection depression dejection lack want and going round in circle You need a touch of God you need Gods divine visitation Realizing that you can not be divinely inspired out of your education or your degrees it can only be by His grace Therefore from divine inspiration comes the revelation of His Word which results into transformation I believe that we can not receive anything unless it is given to us by the Almighty God the Creator of the universe This book is however written to avail people of the importance of accessing divine revelation of the Word of God to DISCOVER GODS GLORIOUS PLAN FOR THEIR LIFE LIVE IT WALK IT AND ACTUALIZE IT It is a divinely inspired book with divine instructions to walk in the light of God to fulfill our destiny God has a plan and purpose for all His children His plan is in their destiny and their destiny lies in their future However as Gods chosen vessels we need to be under His influence be filled with His wine come under the intoxicating effect of the Word of God and live under its influence The wine of the Word brings you under the supernatural influence of the Word in your daily life You become conscious of your status in life with a paradigm shift from your old to your new self You become unstoppable filled with the power to decide the happenings in your life You are in command just like Jesus Christ the Commander in Chief of the universe Himself Read Under the Influence to be divinely guided and inspired Read the Bible to be wise Believe it to be safe Practice it to be holy Let it fill your memory rule your heart and guide your feet As you read this book be ready to go far beyond and above for you are now sitted with Christ in heavenly places Amen **My Mental Health Matter: Beginnings** Merisha Meisha,2021-10-01 This book forms part of First People Mental Health Wellness Blog This book has been written as

a memorial to God and in memory of the Late John Stephen Ugo Ehikwe Who was born on 2nd October in the United Kingdom and died by suicide on the 17th of June at New Cross Railway Station London *Faith* Mike Olawale,2020-12-15 It is very significant for believers to know and believe this simple Biblical truth Nothing works in the Kingdom of God without faith The life of a believer revolves around faith for without it nothing gets accomplished Faith is the Principal Key that unlocks the unlimited supernatural ability of God enabling Him to change the life of an ordinary individual into a victorious life of testimonies It is the substance that God uses to turn an individual into an unbeatable believer when it comes to handling the conflict of life The force of faith is equivalent to the life sustaining heartbeat of all human beings Whenever the heart fails the life of the individual ceases likewise whenever believers fail to exercise their faith their lives become lifeless and colorless The Bible says in Hebrews 11 32 34 that through faith their faith they subdued kingdoms wrought righteousness obtained promises therefore wisdom demands that each individual accepts the responsibility to develop his or her own faith So it is my earnest desire that as you engage with this book you will intentionally commit to a lifestyle of stirring up your faith to act upon God's word As you do it this you commit Him to perform it As He performs it your faith in Him increases day by day stature by stature victory by victory till you tangibly begin to subdue kingdoms like the men and women did in Hebrews 11 32 34 This is the very purpose for which Christ died to build a kingdom of kings and priests enforcing the life and power of God's Kingdom in every sphere of human life and activity

Megachurches in Africa Babatunde A. Adedibu,Felicity Apaah,Okelloh Ogera,Benson O. Igboin,2024-10-04 The idea of mega ness is pivotal to the nature characteristics and vision of megachurches as a social divine structure grounded on the belief in grand mega God whose omnipotence is revealed encountered and dramatised in space and place Although the concept of megachurch has been discursively and theoretically problematic sprouting and scouting for a big idea grasping that is in itself elusive the book takes a pragmatic detour to engage and nuance and also beat into manageable shape what can readily be construed as megachurch at least in Africa It argues that megachurch is not only related to from the prism of its exponentiality and grandiosity a feature that is pervasive in its conceptualisation but it is also

much more inserted into a socio cultural political and religious context that is at once empirical and relatable responsible and responsive daring and appealing local and transnational spiritual and mundane controversial and soothing The institutionalisation of megachurch legitimises its existence radar and reach in terms of social mobilisation charismatics and incarnationality Central to the praxis of megachurches is digital turn that zooms out the Mega Mega powers and affluence of mega pastors mega narratives mega miracles and mega messes All of this is sited and situated most profoundly within the mega failure of state to be responsible and account for mega wealth that African political rulers vanquished into their private lounges The megachurch and state relations might appear complexified and mutually beneficial the knack with which some Africa s megachurches pastors churches churches dribble and meander through this midfield constantly calls to mind the Megachurches Megachurches claim of divine imprimatur and the future of its pentecostality Destiny Moulding Quotes of Dr. David O.
