Conversations of the HEart Debbi Baioa, 2024-03-25 Welcome to Conversations of the heart. This book was written to support learning more about Jesus and to glorify his name. The topics are topics that many of us encounter in our everyday lives. Scripture tells us how we are to live; why don't we do it? The struggle is real. Conversations of the Heart talks about it. Learn about it. Talk about it. Pray about it. Ask for guidance. Do better. Repeat. Each chapter will give you the opportunity to reflect on the topic. Reference scriptures from the word, the Bible, where we can see what God says about it. Group discussion questions optional. Finish each chapter gives the opportunity to gather together and learn together. The design of this book allows the single reader to enjoy each and every chapter at their own pace. While study groups as a resource for Bible studies, life groups, retreats, I have also attached a sample agenda, a sample lead sheet with questions to use as a springboard for your own group. Definition of a lead: is women in the group that have stepped up and said they will navigate the conversation with our written group breakout questions. I will tell you this book becomes interactive when involving others in the study.

Self-Presentation, and Pinterest Emily S. Johnson,2020-06-26 Feminism Self Presentation and Pinterest The Labor of Wedding Planning argues that Pinterest which has been largely criticized for perpetuating vapid stereotypical gender roles is actually a dynamic digital curation tool that facilitates meaning making around the important cultural event of the Western wedding Emily S Johnson through a thorough examination of how aspiring brides use the platform to plan their weddings found that Pinterest is a unique platform that offers brides the opportunity to construct their own wedding identity by engaging in creativity and exercising voice and agency during planning Even if the content they are consuming does support tenets of patriarchy or gender roles brides are able to make their own choices rather than having their goals determined for them through societal or familial norms and expectations The platform integrates both the online and offline labors of wedding planning as brides create meaning through the curation process and connect with the self as they execute their planning Overall Johnson argues that far from the stereotypes of fantasizing about dream weddings and luxurious lifestyles that may be unrealistic Pinterest gives brides increased ability to make their own specialized vision come to life Scholars of women s studies gender studies communication media studies cultural studies and rhetoric will find this book particularly useful **Pucking Strong** Emily Rath,2025-08-26

experience of it but she can't help but covet a gorgeous wedding gown that's the prize in an upcoming cocktail party contest. In a moment of brazen inspiration Greer asks a handsome Brit she's only just met to accompany her to the party. He agrees and Greer believes her date is a starving artist. Little does she know the truth: Ford Smith, as he calls himself, is actually Stanford Elliott Wentworth Smythe, the Eighth Baron of Wickshire. Fresh off a breakup with a money-grubbing siren who deceived him all the way to the altar, Ford has no desire to fall in love, especially with Greer, who, like the desired wedding gown, is beautiful but only skin-deep. But soon Ford realizes that there's more to Greer than meets the eye. Her professionalism is matched only by her passion for life and love, and best of all, she has no idea that he's the manor-born. Could it be that true love is priceless after all?

Unforgivable Misery Paige O'Kikurass, 2024-09-27 She loved him. She worshipped the ground he walked on. Her husband mistreated her all the time, and she stayed because she loved him. Little did she know her husband and best friend had been having an affair their entire marriage. True story. Before we get started, I just want to say that all events and pictures are real and true. I have personally experienced everything in this story. I should know it is my story. Mental and emotional abuse is a real thing, and it causes a person so much damage on so many levels. It caused me more damage than I can explain. Don't ever underestimate a person with a smile on their face. That smile is their way of pretending things are all right. There is so much more going on behind that smile than a person leads on. Here is the truth about my lie of a marriage. You know the saying: keep your friends close and your enemies closer. No, No, No. It's keep your enemies close and your friends closer. This story is one for the books. The unnatural, bizarre shit shows truth. My name is Paige, and this is my story.

Cupcakes, Pinterest, and Ladyporn Elana Levine, 2015-09-30 Media expansion into the digital realm and the continuing segregation of users into niches has led to a proliferation of cultural products targeted to and consumed by women. Though often dismissed as frivolous or excessively emotional, feminized culture in reality offers compelling insights into the American experience of the early twenty-first century. Elana Levine brings together writings from feminist critics that chart the current terrain of feminized pop cultural production. Analyzing everything from *Fifty Shades of Grey* to Pinterest to pregnancy apps, contributors examine the economic, technological, representational, and experiential dimensions of products.

and phenomena that speak to and about the feminine As these essays show the imperative of productivity currently permeating feminized pop culture has created a generation of texts that speak as much to women s roles as public and private workers as to an impulse for fantasy or escape Incisive and compelling Cupcakes Pinterest and Ladyporn sheds new light on contemporary women s engagement with an array of media forms in the context of postfeminist culture and neoliberalism
