Marking Guidance

Section A

It is not possible to reproduce the AQA's mark scheme, therefore on this mark scheme you will find the suggested content for each answer.

Suggested content is just that. Often pupils come up with different and better interpretations of the text. Credit anything that is relevant and backed up by a quote from the text.

The best approach may be to use the suggested content along with the AQA mark scheme to be able to put each pupil into the band that best fits their answer.

Section B

It is not possible to reproduce the AQA's mark scheme or give suggested content for this section as each piece of work will be individual to the pupil. You may wish to refer to the AQA's sample mark scheme to award marks in a consistent way.
