 teaching that can occur in the broad context of state level testing In this book the chapter authors and I bring the particular  
 state history tests more to the fore and examine how teachers are responding to them At the heart of Measuring History are  
 cases of classroom teachers in seven states Florida Kentucky Michigan New York Texas Mississippi and Virginia where new  
 social studies standards and new and generally high stakes state level history tests are prominent In these chapters the  
 authors describe and analyze the state s testing efforts and how those efforts are being interpreted in the context of  
 classroom practice The results both support and challenge prevailing views on the efficacy of testing as a vehicle for  
 educational reform Catherine Horn University of Houston and I lay the groundwork for the case studies through a set of
