

A scenic landscape at sunset or sunrise. The sky is a warm, golden-yellow color with the sun low on the horizon. In the background, there are dark, silhouetted mountains. The middle ground shows a calm body of water reflecting the sky and mountains. In the foreground, a bamboo raft made of many parallel logs is partially visible, floating on the water. The overall mood is peaceful and serene.

Je vous souhaite plein de temps pour vous

EXCELLENT WEEK END à toutes et à tous !

Plaisirs Du Week End:

Une nouvelle aventure de Jeanjean d'Aups: Le voleur de mémoire Jean-Marie LEFEVRE, 2014 Au moment où les avancées scientifiques vont se joindre à la chirurgie pour apporter leur lot de bonnes et mauvaises surprises Jeanjean et son ami Romain vont respectivement voir apparaître dans leurs existences deux très extraordinaires Pour l'un ce sera un animal dangereux et pour l'autre un surdoué génial Alors après avoir joué l'apprenti sorcier qui sauvera qui

L'écriture du bonheur dans le roman contemporain Ruth Amar, 2011-01-18 Through the ages the pursuit of Happiness has been at the heart of the needs and desires each individual would seek to fulfill while as a concept Happiness has always resonated strongly in poetic as well as philosophical sociological and psychological contexts But what about Happiness today in a world dominated by technology driven by productivity and dictated by efficiency Does Happiness still feature in contemporary fiction in any significant way Or has it perhaps gone underground adopting different guises Would we still call that duty of happiness that Pascal Bruckner saw as present at the second half of the twentieth century a relevant force today Or has it waned perceptibly The articles brought together in this volume seek to work out answers to these and similar questions creatively addressing the imminent risks but also eagerly following up the intriguing possibilities one encounters when interrogating Happiness in the contemporary novel Originally based on an international conference organized at the University of Haifa Israel in May 2010 the volume is structured around the axes we found useful as a basis for the various approaches towards Happiness in Europe and the historical and social events that influenced the writing of Happiness as they defined the 20th century and have impacted on the 21st the Holocaust the Soviet dystopia consumerism postmodernism everyday life the various as yet unarticulated new modes of life they have given rise to and so on A new writing of happiness then At the very least this volume targets the contemporary novel without wanting to solidify works instead taking into account the fluctuations Happiness has been subjected to and the diversity and especially the paradoxes it has created while we have been keen to preserve a precise reading of the texts and have felt compelled to respect and preserve the particular features that make the writings of the authors we focus on stand out

Thème philosophique aussi bien que poétique sociologique et psychologique le bonheur défie la mesure de chacun N'est-il pas vrai que nous autres hommes nous disons tous être heureux Platon Or dans notre monde actuel dominé par la technique la recherche outrance du productif et de l'efficacité qu'en est-il du bonheur Est-il encore présent aux critiques romanesques contemporaines Sous quelles formes se présenterait sa recherche Ce devoir de bonheur propre à la deuxième moitié du XXe siècle dont parle Pascal Bruckner continue-t-il toujours d'actualité S'est-il renforcé ou au contraire s'est-il affaibli Le projet d'un questionnement du bonheur dans le roman contemporain comportait de gros risques mais il offrait en même temps des possibilités stimulantes À la suite du colloque international organisé à l'université de Haïfa en mai 2010 les textes réunis dans ce livre cherchent à laborer des éléments de réponse à ces questions Le volume offre un état des lieux du bonheur dans le roman depuis 1980 et présente une large

diversité d'approches de définitions d'interrogations sur la critique du bonheur sur trois siècles Le recueil s'articule autour d'axes qui ont servi de base aux différentes approches du bonheur en Europe et d'événements historiques et sociaux qui ont pu influencer la critique du bonheur aux différentes périodes du XXe et XXIe siècles telles que l'Holocauste la dystopie en Russie le postmodernisme et le consumérisme le quotidien les différents paradoxes du bonheur les nouveaux modes de vie Nouvelle critique du bonheur Du moins ce volume vise-t-il le contemporain sans figer les œuvres tout en tenant compte des fluctuations du sujet de sa diversité de ses paradoxes surtout tout en conservant la lecture précise des textes et en respectant la particularité de la critique des auteurs traités

The End Richard John Neupert, 1995 Given the importance that spectators grant to the final moments of a motion picture it is surprising to find so little written on how films end and how audiences interpret those closing moments This study investigates endings in film and the lively role they play in how and why viewers make sense of movies Relying upon contemporary literary criticism and film theory the author analyses narrative strategies in films ranging from the classical Hollywood motion picture to the more modern European art cinema To assist readers in understanding the various functions of endings the films are divided into four critical categories the Closed Text film typical of classical works the Open Story films the Open Discourse film and the Open Text film which struggles to defy story resolution Detailed textual analysis of sample films reveal how all of the devices of filmic narration from mise en scene to soundtracks direct a viewer's perception comprehension and interpretation of closure in films Among the sample films that are featured as test cases for studying endings are The Quiet Man Ford 1950 The 400 Blows Truffaut 1959 Weekend Godard 1967 Tout va bien Godard 1972 and Earth Dovzhenko 1930 To round out his informative study of endings in films Neupert also examines a host of diverse titles including Do the Right Thing Lee 1989 Open City Rossellini 1945 and The Graduate Nichols 1967
