How Fairy Tales live happily ever after: (Analyzing) The art of adapting Fairy Tales Conny Eisfeld, 2015-02-18

What happened to the classic fairy tale Do we still read the old and dusty tales of wonder to our children or would we rather take them to the cinema The fairy tale boom has reached Hollywood where popular tales are currently transformed into entertainment movies Makers of films and TV series have become the storytellers of the digital age a transition that frequently leads to discussions about how these new forms limit or contribute to the further development and preservation of the traditional fairy tale But what exactly is a traditional fairy tale The book follows the history of the tale how it has been changing colors and how it has been adapting and surviving for centuries The main focus lies on the literary and multi medial analysis of two popular fairy tales Rapunzel and Little Red Riding Hood which have not only been adapted to the screen recently but have been repeatedly altered throughout the centuries Follow the journey of the fairy tale from its most basic form i e oral storytelling to a written and illustrated commitment that shaped the general image of fairy tales for forthcoming generations to its newest form the visualization through new and digital media

Books in Motion Mireia

Aragay, 2005 Books in Motion addresses the hybrid interstitial field of film adaptation The introductory essay integrates a retrospective survey of the development of adaptation studies with a forceful argument about their centrality to any history of culture any discussion that is of the transformation and transmission of texts and meanings in and across cultures The thirteen especially composed essays that follow organised into four sections headed Paradoxes of Fidelity Authors Auteurs Adaptation Contexts Intertexts Adaptation and Beyond Adaptation variously illustrate that claim by problematising the notion of fidelity highlighting the role played by adaptation in relation to changing concepts of authorship and auteurism exploring the extent to which the intelligibility of film adaptations is dependent on contextual and intertextual factors and making a claim for the need to transcend any narrowly defined concept of adaptation in the study of adaptation Discussion ranges from adaptations of established classics like A Tale of Two Cities Frankenstein Henry V Le temps retrouvé Mansfield Park Pride and

Prejudice The Dead or Wuthering Heights to contemporary popular texts films like Bridget Jones s Diary Fools The Governess High Fidelity The Hours The Orchid Thief Adaptation the work of Doris D rrie the first Harry Potter novel film or the adaptations made by Alfred Hitchcock Stanley Kubrick and Walt Disney This book will appeal to both a specialised readership and to those accessing the dynamic field of adaptation studies for the first time *Author Fictions* Ingo

Berensmeyer,2023-10-04 Fictional novelists and other author characters have been a staple of novels and stories from the early nineteenth century onwards What is it that attracts authors to representing their own kind in fiction *Author Fictions* addresses this question from a theoretical and historical perspective Narrative representations of literary authorship not only reflect the aesthetic convictions and social conditions of their actual authors or their time they also take an active part in negotiating and shaping these conditions The book unfolds the history of such author fictions in European and North American texts since the early nineteenth century as a literary history of literary authorship ranging from the Victorian bildungsroman to contemporary autofiction It combines rhetorical and sociological approaches to answer the question how literature makes authors Identifying author fictions as narratives that address the fragile material conditions of literary creation in the actual and symbolic economies of production Ingo Berensmeyer explores how these texts elaborate and manipulate concepts and models of authorship This book will be relevant to English American and comparative literary studies and to anyone interested in the topic of literary authorship **John Galsworthy's Compassion** Jill Felicity

Love Wars Mary Irwin, 2025-02-06 This is the first dedicated overview of the international television romantic comedy genre Mary Irwin builds on the critical work on cinematic romantic comedy to offer a dedicated critical analysis of the romantic comedy on the small screen Drawing on series from the 1960s to the present day Irwin presents five themed chapters around the theme of romantic love from searching for it and finding it to the love wars of the book's title to finding love later in life and in places you didn't expect Chapters explore the genre's key recurrent themes evolving attitudes to love relationships sex class and money feminism and post feminism changes in the nuclear family dramatised through contrasting romantic relationships and shifting discourses of masculinity situating them within the specific socio historic and cultural context in which the series are set Throughout Irwin underscores the centrality of women their friendships and their personal and professional lives and experiences to the television romantic comedy genre demonstrating that it is prominence of female characters and their interests and concerns which have most significantly affected the genre's thematic focus Crucially this thematic approach

allows for explorations both of similarities in representations to be found in series decades apart and the way in which such representations ebb and flow across time Additionally the international nature of the comedies selected also makes possible comparison beyond national boundaries

The Ultimate SF Collection 140 Stories of Dystopias Space Adventures Lost Worlds is a sweeping anthology that captures the imagination and broadens the horizons of speculative fiction. This collection spans a variety of literary styles from the haunting and revelatory to the adventurous and introspective. The anthology stands as a testament to the power of speculative fiction to probe the human condition, question societal norms, and explore possibilities beyond the known world. Readers will find themselves venturing into dystopian landscapes, traversing vast space odysseys, and uncovering the mysteries of lost civilizations. Each story is a portal into imaginative worlds where the extraordinary becomes tangible. The contributing authors comprise a pantheon of speculative fiction luminaries whose collective works have significantly shaped the genre. From the science fiction forebears like H. G. Wells and Mary Shelley to intricate dystopian weavers such as Jules Verne and Charlotte Perkins Gilman, this anthology is underpinned by authors across eras who have defined and redefined the genre. These authors bring a multitude of cultural and historical perspectives, each echoing the societal questions and technological marvels of their time while projecting visions of future possibilities. Their shared insights create a polyphony of voices that enrich and expand the reader's understanding of science fiction. This collection is a vital resource for any reader eager to explore the multifaceted world of speculative fiction. Within its pages lies the opportunity to engage with an echelon of visionary authors whose works continue to inspire and challenge us. As a comprehensive anthology, it invites readers to experience the thrilling and contemplative energy of dystopian futures, exhilarating space adventures, and enigmatic lost worlds. The Ultimate SF Collection not only provides a profound literary experience but also fosters an intellectual dialogue among its diverse themes and styles, making it an indispensable addition to any booklover's library.
