Robert's Rules of Order Newly Revised Henry Martyn Robert, Sarah Corbin Robert, William J. Evans, Daniel H. Honemann, 2011 Explains the accepted procedures for conducting business government and club meetings *Robert's Rules of Order Newly Revised In Brief, 2nd edition* Henry M. III Robert, Daniel H. Honemann, Thomas J. Balch, 2020-06-25 The 1990 ninth edition of Robert's Rules of Order Newly Revised is the only currently authoritative volume to contain the complete Robert's Rules of Order subject matter It has been totally reset and redesigned for easier use This ninth edition supersedes all previous editions and automatically becomes the parliamentary authority in organizations whose bylaws prescribe Robert's Rules of Order This edition has been updated to address common inquiries and it incorporates new rules interpretations and procedures made necessary by the evolution of parliamentary procedure Among the more important areas of revision are more modern and appropriate usage is given for the chair's invitation to members to speak in debate or offer secondary motions after stating the question on a motion the rule relating to the power of replacement of members on committees by the appointing authority is clarified formal recognition is given to the practice of sending a suggested agenda to members in advance of a meeting a subsection of hints to inexperienced presiding officers had been improved greater prominence is given to rules relating to the growing practice of nominating for office by petition specifications are provided for methods of expediting roll call voting in very large conventions and calling a roll by delegation rather than by individuals In addition the ninth edition of Robert's Rules of Order Newly Revised includes a special section printed on tinted paper which summarizes rules related to motions for quick and easy access **Original Robert's Rules of Order** Henry Robert, Gregory Berry, 2018-02-18 The purpose of the present edition of this book is as a reference for adopters of the Official Robert's Rules of Order Rulebook Gregory Berry Ed also available on amazon which is intended for adoption as the official rules of assemblies meetings boards conventions etc rather than the ponderous impossible to use Newly Revised 11th Edition of Robert's Rules of Order This version is all you need to run your assembly The Newly Revised 11th Edition of Robert's Rules of Order has no place in any assembly It was conceived cynically to maintain the copyrights of these rules in the Robert family and as such is almost unusable This book has all the rules you need in one fifth the space of the 11th Ed Newly Revised 130 pages rather than 700 and Part II of this book is an effective primer for those new to parliamentary procedure which is entirely lacking in the 11th Ed Newly Revised However the editor suggests that this book be purchased along with its companion book the Official Robert's Rules of Order Rulebook which has reorganized the rules in rule format and is designed specifically for adoption by an assembly as its official parliamentary rules of procedure A parliamentarian will find the two books work well together The present book contains fuller explanations of the rules in the Rulebook and is also of historical interest for parliamentary scholars The Rulebook is extensively cross referenced with both this book and the 11th Ed Newly Revised for more expansive scholarship on these rules **Notes and Comments on Robert's Rules, Fourth**
