Heaven's Stage on 5th and Main MJ Gaylor,2025-01-30 Our old library in town never held much attraction for me In fact my only solid memory involved my first fistfight which was thankfully uneventful and quickly broken up by the town librarian However I recently had a dream concerning that storied building in Cobleskill It was a stormy day and with little else to do I entered through the tall glass doors and began perusing the bookshelves As I ran my fingers down a roll of hardcovers I spotted a volume with my name as the title I began reading and to my surprise found that it contained the story of my life beginning at birth I quickly turned the pages to see if the author had included everything and to my chagrin discovered nothing had been left out I carefully concealed the book by my side and walked quietly toward the librarian who was seated at a large wooden desk There she lay in wait peering over her horned rim glasses which were eternally hooked to her neck with a gold chain With judgement and a bit of delight in her eyes she informed me that the book could not be checked out as it was not yet complete My heart raced and my breath quickened as I turned to the back of the book to find

empty pages I placed the novel back on the shelf only to return a month later Pulling down the volume I discovered it had increased in wordcount Confused I turned to the opening page to see who cared enough to write my life s story in such detail and for all to read To my surprise the author was none other than God himself I awoke and after contemplating the gravity of life decided to write a book

The Wee Rock Discography Martin Charles Strong,1996 For the reader who is interested in the minutiae of the major rock music back catalogue this book is an absolute treasure It tells what records were released when and how to go about obtaining them

Rockin' on the Milky Way Jean Lenox Toddie,2008 3m 7f Simple Sets Rockin On The Milky Way is a collection of three one act plays entitled Moon Beams In Mid Morning One White Winter Night and I Remember Heaven Of Course These plays by internationally known playwright Jean Lenox Toddie treat the audience to an evening of comedy and drama celebrating life love and the tangled relationships of lovers and families A rocking chair sits center stage in each play Ten colorful characters range from a middle age woman sitting in the Florida Everglades with a shot gun across her lap a charming male poet who dines on candied locusts and marinated artichoke hearts a lovely young mute singing her own soundless song and a quirky old lady booted out of heaven for bad behavior

Vocal Authority John Potter,2006-11-02 Why do singers sing in the way they do Why for example is western classical singing so different from pop singing How is it that Freddie Mercury and Montserrat Caball could sing together These are the kinds of questions which John Potter a singer with the Hilliard Ensemble and Red Byrd and himself the master of many styles poses in this fascinating book which is effectively a history of singing style He finds the reasons to be primarily ideological rather than specifically musical His book identifies particular historical moments of change in singing technique and style and relates these to a three stage theory of style based on the relationship of singing to text There is a substantial section on meaning in singing and a discussion of how the transmission of meaning is enabled or inhibited by different varieties of style or technique

God Is in the Details Lynne E. Shivers,2014-03-06 You know how people say that the Devil is in the details Learn how God is in the details through this inspiring book that kicks the Devil out and gives God full reign in the details of planning your church or religious group event Learn how to Seek God for direction from the initial idea through the big day Cultivate positive relationships even with those who may be difficult or disgruntled Develop a proven planning time line that will keep you on track no matter when you

start in the process Keep the event fresh even if its the umpteenth event anniversary Kick the Devil out and give him no foothold in the planning process I have enjoyed reading the book God Is in the Details by Evangelist Lynne Shivers In it she brings out the importance of planning our events with a purpose and with excellence Often we do not think about the planning that goes into an event and are discouraged by the results But if we planned in advance things would certainly turn out much better The book also brings out another important point and that is God is in the details This is a must read book its a great resource guide for any group leader in the planning of an event I give it two thumbs up Bishop Gary Harper Pastor Greater Grace Temple Taylor Taylor MI **Rock Around the Clock** Jim Dawson,2005-07 The author of What Was the First Rock n Roll Record chronicles the spectacular chart topping success of Bill Haley s hit record Rock Around the Clock focusing particular attention on the cultural setting that surrounded the birth of rock music in 1955 Original List-o-tapes ,1989 **Gramophone Popular Catalogue** ,1987-06
