the same side of the Cash Book c Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book d  
Departmental columns in the Sales Book and in the Purchase Book Controlling Accounts The addition of special columns in  
books of original entry makes possible the keeping of Controlling Accounts The most common examples of such accounts are  
Accounts Receivable account and Accounts Payable account These summary accounts respectively displace individual  
customers and creditors accounts in the Ledger The customers accounts are then segregated in another book called the  
Sales Ledger or Customers Ledger while the creditors accounts are kept in the Purchase or Creditors Ledger The original  
Ledger now much reduced in size is called the General Ledger The Trial Balance now refers to the accounts in the General  
Ledger It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved  
A Schedule of Accounts Receivable is then prepared consisting of the balances found in the Sales Ledger and its total must  
agree with the balance of the Accounts Receivable account shown in the Trial Balance A similar Schedule of Accounts  
Payable made up of all the balances in the Purchase Ledger is prepared and it must agree with the balance of the Accounts  
Payable account of the General Ledger The Balance Sheet In the more elementary part of the text the student learned how to  
prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise In the present  
chapter he was shown how to prepare a similar statement the Balance Sheet For all practical      The Furnace Book Paul E.

King,2004-08-26 Installing a furnace may sound like a job that must be done by an expert You may be surprised to know that by following my simple instructions you can install your own furnace in no time Installing your own furnace has significant financial advantages You may be surprised that installing your own furnace can save you a tremendous amount of money Completing this task on your own can save you as much as 2500 00 This amount is an estimate since each furnace is different and some cost more than others do You can save even more possibly another 1500 00 if you install your own central air conditioning Installation manuals that come with the furnace are written for someone that does heating for a living usually very complicated without prior knowledge of the subject This handy book was designed for the first time furnace installer with the intention of guiding you through each step of the installation process Along the way of installing your new furnace Paul will be there for you with step by step how to instructions *Manual for CVD Furnace* Rolf Nevald,1969 **Furnace Repair Manual** ,197?
