Here is his account. It started by a chance discovery, and years later was dramatically reoriented by a coin toss. As the high school class of 1953 anticipated graduation, they chatted in the hallways, exchanging ideas about future plans. His afternoon and Saturday jobs during high school did not provide enough money for college. One day, while changing classes, he observed a booklet on his homeroom teacher's desk that described the NROTC as how one might earn a commission in the United States Navy and even compete for a college scholarship. It contained an application. Upon graduation from the University of North
