KAREN KINGSBURY

A NOVEL

A man and a woman are seen from behind, riding a bicycle on a dirt path. The woman is in the driver's seat, wearing a light-colored floral dress, and the man is seated behind her, wearing a white short-sleeved shirt and dark trousers with suspenders. They are both looking towards a bright sunset over a flat landscape. The sky is filled with soft, warm light from the setting sun.

Romance Love Story S:

Tomato Rhapsody Adam Schell, 2009-06-23 A village in Tuscany is the setting for this joyous debut a novel that defies all our expectations as it puts a fresh clever captivating spin on the age old tale of forbidden love Rich in literary delights filled with spectacular wordplay and rife with the bawdy humor of Shakespeare's comedies Tomato Rhapsody is the almost true tale of how the tomato came to Italy at once a brilliantly inventive fable of love lust and longing and a dazzling feast for the imagination This is a story born from love a forbidden love between Davido an Ebreo tomato farmer and Mari a beautiful Catholic girl But it's not only Davido and Mari who have secrets of the heart Everyone around them yearns for something from Davido's grandfather who tenderly cultivates the tomato plant he stole on his voyages with Columbus to Mari's villainous stepfather whose eye is trained on his stepdaughter's virginity and his neighbor's land Caught in the midst of these passions and machinations is a village full of eccentrics who speak in rhyme celebrate the Feast of the Drunken Saint and live a life untouched by the passage of time The schemes and dreams of these men and women are about to change as what is forbidden becomes too delicious to resist Tradition religion and good taste collide unforgettably in a story about the courage to pursue love and tomato sauce at all costs

Love, Sex, and Marriage Julie Coleman, 2022-06-13 If the language we use influences and reflects the way that we see the world then the fields of LOVE SEX and MARRIAGE will show how speakers of English view their closest social and emotional relationships Love Sex and Marriage provides a classification of English terms for these three fields from the earliest written records of

the language until the present day This volume makes it possible to trace changing attitudes towards social and sexual ties and to understand those ties as earlier speakers of English did through the language they used The terms are arranged by meaning and are listed chronologically within semantic fields with their dates of usage Notes on individual terms provide further information about their connotations and development Language does not exist in isolation from the people who speak it so background information about changes in social conditions religious beliefs and medical advancements is also included A brief introduction to basic semantic terminology explains the principles behind the classification and an alphabetical index facilitates the location of individual terms

Following Djuna Carolyn Allen, 1996-02-22 Following Djuna reads contemporary novelists in the tradition of Djuna Barnes arguing for the importance of women's fiction in understanding women's erotics emotional and sexual exchanges between women Barnes's *Nightwood* with its experimental form and passionate language has made its mark on contemporary writers and Carolyn Allen argues that Harris Winterson and Brown continue Barnes's explorations of obsession loss excess and power between women lovers Allen stresses the importance of difference in lovers who are like and the influence of memory in the making of desire At the same time she illuminates the ongoing trade offs between passion and comfort and between loss and discovery as crucial to the intensity of women's erotics

The Routledge Companion to Cultural Text and the Nation Sheera Talpaz, Anuradha Dingwaney Needham, 2025-03-31 The Routledge Companion to Cultural Text and the Nation brings together over 30 articles by leading and emerging scholars from around the world who engage fresh critical lenses from affect studies to the medical humanities and re-energize established frameworks to examine the interplay between cultural production and conceptualizations of the nation and nationalism The scholarship in this volume takes as its objects of analysis various forms of aesthetic and cultural production from film and literature to museums and costume books enriching the conversation that has often siloed these forms Geared toward scholars graduate students and upper level undergraduates across the humanities and social sciences this timely interdisciplinary collection is issued at a critical juncture in the transformation of the nation and the global resurgence of regressive and populist nationalist movements Both offering new insights reorienting our understanding of canonical materials and bringing noncanonical works to light this volume challenges long held assumptions about the nation while establishing its continued significance and future possibilities
