## **Romantic Obsession T0:**

**Creating Romantic Obsession** Kathleen Béres Rogers, 2019-03-29 Most of us have at one time been obsessed with something but how did obsession become a mental illness This book examines literary medical and philosophical texts to argue that what we call obsession became a disease in the Romantic era and reflects the era's anxieties Using a number of literary texts some well known like Mary Shelley's 1818 *Frankenstein* and Edgar Allan Poe's 1843 *The Tell Tale Heart* and some not like Charlotte Dacre's 1811 *The Passions* and Charles Brockden Brown's 1787 *Edgar Huntly* the book looks at *vigilia* an overly intense curiosity intellectual monomania an obsession with study nymphomania and erotomania gendered forms of desire revolution an obsession with sublime violence and military service and ideality an obsession with an idea The coda argues that traces of these Romantic constructs can be seen in popular accounts of obsession today

**The Essential Guide to Overcoming Obsessive Love** Monique Belton, Eileen Bailey, 2011 Using real life case studies and personal experience a licensed psychologist and a survivor of obsessive love team up to explain the difference between healthy and obsessive love the psychological and societal causes and techniques to avoid falling into this cycle Original 15 000 first printing

**Introduction to You (season 4)** Gilad James, PhD, *You* is a psychological thriller television series that made its debut on Netflix in 2018 The show follows the story of Joe Goldberg a charming and obsessive bookstore manager who develops an extreme infatuation with a woman named Beck Throughout the first two seasons Joe's warped sense of emotions and morals lead him to commit a series of heinous crimes including murder Despite his actions the show's skilled storytelling also gives viewers a glimpse into Joe's traumatic past which could potentially explain his erratic behavior Season three ended with Joe moving to the suburbs with his lover pregnant neighbor and his young son Season 4 titled *You Loves a Maze* follows the twisted story of Joe and how he adapts to this new suburban life which includes a diverse cast of characters including his next door neighbors The trailer hints that the season will take a darker turn than the previous ones with Joe becoming increasingly unhinged as he attempts to reconcile his violent tendencies with his desire for a peaceful domestic life Fans of the series have eagerly awaited the arrival of season four since the third season's ending cliffhanger and it's sure to maintain the show's reputation for suspenseful and intense storytelling

**Smitten** Dr. Tom Bellamy, 2025-04-08 A much needed exploration of the psychology of infatuation how to recognize it and how to move beyond it towards a healthier experience of love This is a groundbreaking book on limerence intense longing for someone Rooted in neuroscience this book offers practical guidance for those experiencing obsessive love and seeking emotional balance Butterflies in the stomach intrusive thoughts fantasies about imaginary scenarios mood swings from euphoria to despair aren't these all the familiar hallmarks of new love Not quite These are characteristics of the psychological state of limerence also known as obsessive passionate or addictive love that can become unhealthy Millions of people will experience limerence at some point in their life and in this book neuroscientist Dr Tom Bellamy explores advances in neuroscience since the term was coined in the

1970s and sheds light on this little understood element of the human experience Discover what drives limerence how to recognise limerence in yourself and others how to manage the phases of addiction to another person how to move past it to sustain longer more fulfilling relationships With supportive advice about next steps this book will help readers struggling with unwanted feelings to find emotional equilibrium

**Modern Fantasies on Love versus Classical Romances** Ljuba Tarvi, 2023-07-14 Viewed through the lens of physics love conquers nothing is the conclusion reached when love patterns in romances are viewed through laws of quantum physics In this book based on the metaphor Love Text is Energy love in fiction is interpreted in the same way as subatomic particles are studied in quantum mechanics by investigating traces of their clashes in giant colliders i e as Marx s converted forms of the protagonists conscious and unconscious decisions and actions The book introduces the Token Valence Method which assumes that a word like an elementary particle is neither a particle nor a wave but rather a quantum state The TVM has revealed three models of love patterns in fiction adaptation 21st century alienation 20th century and imagination 1991 2021

**Hollywood from Vietnam to Reagan . . . and Beyond** Robin Wood, 2003-07-10 This classic of film criticism long considered invaluable for its eloquent study of a problematic period in film history is now substantially updated and revised by the author to include chapters beyond the Reagan era and into the twenty first century For the new edition Robin Wood has written a substantial new preface that explores the interesting double context within which the book can be read that in which it was written and that in which we find ourselves today Among the other additions to this new edition are a celebration of modern screwball comedies like *My Best Friend s Wedding* and an analysis of 90s American and Canadian teen movies in the vein of *American Pie* *Can t Hardly Wait* and *Rollercoaster* Also included are a chapter on Hollywood today that looks at David Fincher and Jim Jarmusch among others and an illuminating essay on *Day of the Dead*

**China on Screen** Christopher J. Berry, Mary Ann Farquhar, 2006-04-04 In *China on Screen* Chris Berry and Mary Farquhar leaders in the field of Chinese film studies explore more than one hundred years of Chinese cinema and nation Providing new perspectives on key movements themes and filmmakers Berry and Farquhar analyze the films of a variety of directors and actors including Chen Kaige Zhang Yimou Hou Hsiao Hsien Bruce Lee Jackie Chan Maggie Cheung Gong Li Wong Kar wai and Ang Lee They argue for the abandonment of national cinema as an analytic tool and propose cinema and the national as a more productive framework With this approach they show how movies from China Hong Kong Taiwan and the Chinese diaspora construct and contest different ideas of Chinese nation as empire republic or ethnicity and complicated by gender class style transnationalism and more Among the issues and themes covered are the tension between operatic and realist modes male and female star images transnational production and circulation of Chinese films the image of the good foreigner all related to different ways of imagining nation Comprehensive and provocative *China on Screen* is a crucial work of film analysis

*Coyote Kills John Wayne* Carlton Smith, 2000 Exploring the cultural and literary borderlands between Native American postcolonial and postmodern theories of cultural representation

Carlton Smith explicates Frederick Jackson Turner's famous frontier thesis in terms of the repressed Other Through readings of six important contemporary works by innovative writers Smith provides rich insight into minority versions of the frontier

**Theoretical Frameworks for Personal Relationships** Ralph Erber, Robin Gilmour, 2013-06-17 The past two decades have seen a tremendous increase in research and scholarship devoted to personal relationships From rather scattered beginnings a recognizable and recognized field has emerged whose strength and health is reflected in a wide array of indicators The editors contend that while the vigor of the field is often shown in the diversity and innovation of its research it is in the theoretical domain that they find evidence of a real coming of age This volume provides grounds for arguing that the diversity of theorizing is particularly healthy at this point The reader will notice that there is some diversity in terms of how much theory and research is contained in each chapter some are purely theoretical others are complemented by original pieces of empirical research The editors and contributors are from different countries another way in which the diversity of this book manifests itself The variety of the frameworks presented are seen as a strength as building on established strengths elsewhere to feed into relationship research and enhance its vitality Each chapter makes its own contribution to thinking and research about personal relationships As a group they add to an exciting collection that not only reflects a richness of conceptual backing but also a wide range of usable theoretical structures
