Quotes Catalogue

Our coursework question will focus on Shakespeare's use of **opposing forces** throughout the play. He uses a wide range of oppositions to reflect the various forms of conflict and to explore a variety of themes (some of these can be further divided up into more opposing forces). The main opposing forces in the play are:

- Love and Hate
 - (Love and marriage)
 - (Marriage and business)
- Life and Death
- Old and Young
 - (Time – fast/slow)
- Light and Dark
 - (Day and night)
- Fate and Free Will
- Public and Private
- Appearance and Reality
- Loyalty and Betrayal

NB You can find lots of information about these at the back of your books

Use this 'Quotes Catalogue' to make a note of the key quotations/scene numbers that reflect each of the opposing themes. Make sure you *always* have your quotes catalogue out in class and be ready to write down any key quotations that come up in discussion.

The more information you put into this catalogue, the easier your coursework will become!

Context

The big difference between this essay and your previous pieces of coursework is the inclusion of context. Assessment Objective 4 says you must:

A04: *"Show understanding of the relationships between texts and the contexts in which they were written"*

This is how the exam board defines context. In other words, these are the things you should be thinking about when you write your essay:

- *The **historical** setting, time and location of the text*
- ***Social and cultural** contexts (for example, attitudes in society; expectations of different cultural groups)*
- *The **literary** context of the text, for example, literary movements or genres*
- *The **author's own life** and individual situation, including the place and time of writing, only where these relate to the text*

On your grid there is also a column to make a note of any contextual links you can make.
