Business Modeling Practices Magazine, David Ramsey, Toronto

■ This point is having the two solid lines, but obviously, we're going back to drawing the wrong. The ending multiplication is: "There's a lot of (B&B) 10, not (B&B) 100."

It may prove to be the last limited issue, but we're selling it to support the magazine's printing the other 12 issues, and to let you know how we're doing. We're not making money on this issue, but we're making money on the others.
