Pioneer Missions Meet The Challenges Share The Blessings:

Pioneer Missions Forrest McPhail, 2015-02-12 A church planter in Cambodia seeks to help Christians reach for greater discernment in missions He wrestles with some of the difficult issues we face in pursuing the great commission on pioneer fields Using Scripture and personal experience from fourteen years of cross cultural ministry Forrest engages us all in a task that demands thoughtful methods from those going and sending This book will challenge you to see the link between theology and practice in missions It will also give you a window into the heart of missionaries serving in unreached places around the world Be prepared to be challenged and blessed Endorsements Pastors read Forrest McPhail s book and then read it again Future missionaries memorize it For this old missionary Forrest s book was written about 20 years too late But even old dogs can by God s grace learn new tricks and I ve profited greatly from the humble wisdom practical insight and gentle rebukes of a man that I consider one of the finest missionaries I know J D Crowley J D grew up in Japan and Hawaii He pastored in Hawaii for 12 years before leaving for Cambodia in 1994 He has served there under EMU International doing linguistic work and training pastors among the indigenous minorities of NE Cambodia He is the author of The Tampuan Khmer English Dictionary and Khmer commentaries on Matthew and Romans J D has also co authored the book Gospel Meditations for Missions Forrest McPhail is a first rate pioneer missionary who has written a compelling work that comprises what he has learned lived and taught others The book unpacks complex cross cultural issues with clarity and time earned wisdom and demonstrates how to interact intentionally with culture in order to be both relevant and faithful to the gospel Although set in the context of Southeast Asia this boots on the ground work is a must read for pastors and missionaries everywhere Kevin Oberlin Kevin is Associate Professor Theology and Cross Cultural Studies Bob Jones University and Seminary Missionaries pastors and all believers will benefit immensely from your work Why It will give Pastors a great understanding of the minefields of ministry in third world nations It will give greater focus to churches that take short term mission trips It will be useful in helping missionaries lay a foundation for their ministries that will be able to stand the test of trial The writing is bold and filled with principles rooted in Scripture This book reflects a wrestling with the issues both written in the Word and those experienced in the villages and marketplace This will help many now and in the future if they would take your counsel to heart Matthew Recker Matt has served Christ in church planting ministry in New York City since 1984 establishing churches in Brooklyn Queens and Manhattan Matt has published three books including Behold the City and Living on the Edge of Eternity Missionaries who leave maps laying around for those who are starting their mission journey are commendable Forrest McPhail did just that he created a map based on his journey as a missionary in Cambodia for pioneer missionaries those going to the unreached people groups of the world His map is as much about understanding the lay of the land and the critical points of the journey as it is about the destination In other words through personal stories biblical observations and practical insights Forrest invites his readers to consider strategic elements and issues such as

syncretism persecution church discipline poverty and much more before they start building a foundation Thank you Forrest for daring to share Jean Johnson Formerly a missionary in Cambodia Jean currently serves as Missionary Coach and Executive Program Director for World Mission Associates She has authored *We Are Not the Hero A Missionary's Guide for Sharing Christ Not a Culture of Dependency* **Working Mother** ,2002-10 The magazine that helps career moms balance their personal and professional lives The South African Pioneer ,1963 Official Gazette Philippines,1963 **Hearings** United States.
