Milky Way Sonja H. Lüscher, 2024-09-27 Do you want to know about life on different planets in our Milky Way galaxy This book describes how various beings live on many different planets Lifestyles are sometimes similar to life on Earth and on some planets strikingly different The common denominator tying all cosmic beings together is that basic needs are mostly the same on all planets such as sustenance a safe environment and the right to reproduce The way we look does not change

these fundamental requirements and the fact that we are all part of the universe linked together by a spiritual force The author envisions cosmic life using both common sense and a vivid imagination to arrive at many possible lifestyles and hopes the readers will be captivated by the cosmic beings they will meet in this book These stories celebrate life and family regardless of where in the Milky Way the being lives In the time to come migration of peoples moving to distant planets will not be a rare incident and integration and interracial marriages will occur sometimes between two very different beings Our appearance is not the determining factor the heart is
