Wanda Stephens, 2017-11-14. In the next chapter of my book, I will detail steps on everything that will occur during the preparation of what will happen after the wedding. As

she prepares for the wedding she designs the perfect wedding gown This is what will happen in the novel As with the book of poems it was a combination of events that had happened in the imagination of my mind The book of poems has inspired me to continue to write and create my thoughts on how I will like my audience to see my work The time that I have put into this book has not been an overnight experience It has been a long road and some writer s block but it has been rewarding When I first started writing I never imagined that I will someday become an author I had many sleepless nights but writing this book of poems has given me the joy of being able to express my feelings and share them with the world All kinds of poems and novels were created By the way I decided to prove that poems do not necessarily have to have rhythm but that it can be expressed with understanding If you know what you want and how you want to inspire yourself then it will inspire others to want that encouragement I work so hard to put my words into something that others can relate to This book has inspired me to continue to write more and more I hope that by the time my audience read this it will help them pursue their dreams When I received the news about my manuscript I thanked God for bringing me this far and never leaving me I also thank my husband for encouraging me to finish Thank you Ricky for the moral support I hope you all enjoy this book **The**
