Monica, 18: I belong to a chess club which meets twice a month, and once a year we go camping. It's the highlight of my summer! We stay in tents on a lovely camp site and have picnics and barbecues. In the evenings, we organize quizzes and play cards. And we also play a lot of chess, of course!

- 1 The correct answer is b – It is true what is said in d: they are teenage boys, but they are mentioned because what they said about themselves is part of the article (b). c says that they read magazines, but we only know that they are readers of the magazine that the text was in, not that they read magazines in general, and in any case this would not be enough of a reason for them to appear in this magazine. a is not correct: they say why they value friendship, but we don't know if this is true about all teenagers.
