## **Readygen Kindergarten Overview:**

Co-Teaching for English Learners Maria G. Dove, Andrea Honigsfeld, 2017-09-27 Dove and Honigsfeld's new book arrives at the perfect time as an increasing number of schools move to a collaborative instructional model and are searching for guidance. The authors not only tell us how to effectively collaborate and co-teach to benefit English learners; they actually show us what each component of the collaborative instructional cycle looks and feels like, complemented by innovative video and web content. DIANE STAEHR FENNER Coauthor of Unlocking ELs Potential and President of SupportEd. Because teacher collaboration isn't an option, it's a MUST. The proof is borne out by any assessment: our non-native speakers learn faster and achieve more when general ed teachers and EL specialists co-plan and co-deliver instruction in the very same classroom. That's why you'll want to put Co-Teaching for English Learners at the top of your reading list. Step by step, EL authorities Maria Dove and Andrea Honigsfeld walk you through the entire collaborative instruction cycle along with seven potential classroom configurations from which to choose. Whether you're new to co-teaching or just see room for improvement in your practice, this practical handbook delivers every technique and tool you need to make the most of your collaboration, including video footage of co-teaching in action. Inside, you'll find in-depth profiles of the seven models with detailed descriptions and analyses. A review of advantages and challenges of each model's implementation. Clear explanations of each teacher's role along with self-assessment tools. Tried and true strategies for the entire instructional cycle: co-planning, co-instruction, co-assessment, and reflection. Real-life accounts from co-teaching veterans. Long gone are the days when our ELs are taught in isolation, and rightfully so. Read Co-Teaching for English Learners, implement its strategies, and soon enough, you too can set up a learning environment in which all students thrive.
