## **Real Love Sustains Lee The Madisons Book 4:**

**Real Love Sustains** Mildred Wilson, 2014-12-10 It's 2013 and if anyone were to ask Leslie Madison how she was doing she would be quick to say I'm doing great. For all intents and purposes she would be correct. She is a top notch attorney with a prestigious law firm. In addition to a loving close knit family she has good friends and a guy she is passionately in love with. But even though she would be quick to acknowledge that she is blessed she still feels unfulfilled. Leslie believes women have made great strides and have myriad choices. They aren't as pressured to get married or to have children as they were a decade ago. So why does she feel as she does? The truth is that she wants it all. She has worked hard to become a lawyer and she loves her work. At the same time she wants to marry and have a family but it has been difficult to find a guy who is like minded until she meets Stephen Majors. He is handsome, kind and a successful physician. He has a strong work ethic and is passionate about what he has accomplished. He is also supportive of her goals and she wants to believe him when he says their relationship is a journey and that they can grow together. But for some inexplicable reason she can't shake her cynical side. Her last committed relationship had been filled with deceptions and lies. As much as Leslie loves the way Stephen makes her feel her wounds have only recently healed and she still has a few tender spots. It wouldn't take much to reopen them. Even though her relatives and friends advise her to be happy and to take one day at a time she can't help but think that it's only a matter of time before Stephen will disappoint her. Just as she is on the brink of deciding to take her relationship with Stephen on faith a problem arises and he refuses to tell her what is troubling him. In her experience as an attorney ignorance begets dangerous speculation and her imagination runs rampant. Hurt and confused she shares her concerns with her best friend and her sister who are both happily married to good men. To her surprise they both offer her spiritual advice. Although raised in a spirit filled family Leslie is aware that scripture can be interpreted in many different ways. Will the teachings of Paul the Apostle reinforce her feeling that her love for Stephen is real with the resiliency to withstand anything that might come up or will it confirm her fears that it is a relationship that has been kept afloat by physical attraction alone. *1921 Annotations to Corpus Juris*, 1916 Religious Remembrancer, 1917 *New York Magazine*, 1981-03-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country.
