opened your cable bill more than once and questioned why you are paying so much for channels you don't even watch. But what can you do? Well, actually, a whole lot. The days of paying for cable because we had no options are behind us. You can cut cable and still have access to all of your favorite shows and networks and you can save money doing so. If you don't mind cutting out a few TV shows, you can even pay nothing at all. This article will show you how it is both a brief introduction to the different devices out there for streaming TV shows and media and the software apps you need to get the most out of it. It will cover the pros, cons, and cost of all of it. It covers newer apps and software like Sony Vue and HBO Now. This guide takes a no-nonsense approach to cutting the cable cord and tells you what you need to know as quick as possible so you can get back to watching TV.
