Stevens, Michael Waschevski, 2014-01-01 There are many books written for liturgical experts but not many for laypeople This book bridges that gap In clear everyday language Waschevski and Stevens describe why Protestants worship and help to equip worship planners and leaders for excellence in their tasks The authors explore the different elements of the worship service and how each expresses our Christ centered faith They also describe the feasts and festivals of the liturgical year helping the reader understand and appreciate these special times and seasons in worship An additional chapter considers music and arts in worship Discussion questions at the end of each chapter invite discussion in local congregations This book will be a valuable resource for pastors worship committees members and all others who engage in worship planning and leadership
