*Seasons of Love* Emily Garside, 2023-11-15 With its groundbreaking score unabashed romanticism and scrappy sensibility *Rent* was like a firecracker thrown into a hushed theater turning heads and upending conventions But if its unexpected success was the stuff of theatrical legend the story of its making was a bittersweet one with composer Jonathan Larson a student of Sondheim's finally making his Off Broadway debut tragically dying on the night of the final dress rehearsal Even decades later *Rent* lives on as a warmly remembered chapter in Broadway history yet the show is too often trivialized reduced to parody or dissected in the service of an arid cultural politics In light of this journalist and theater expert Emily Garside has some questions Chief among them Why is *Rent* taken less seriously than other musicals of its caliber And should it be In *Seasons of Love* Garside brings both a fan's devotion and a scholar's critical eye to reassess the legacy of this Pulitzer Prize winning musical a quarter century after its premiere Even as the show memorably captured the experience of life on the margins in the late 90s Garside argues that it remains an important and relevant work today She explores the influence it had on diverse casting immersive set design and queer representation in the works that followed in its wake And she dives into the world of past and present *Rent*heads who share their formative experiences with the musical which coincided with the dawn of online fan culture Ultimately *Rent* was an uncommonly innovative and prescient musical and as we survey past works for inspiration and look for ways to fill our theaters there's much to learn from its example *Rent FAQ* Tom Rowan, 2007-09-01 After opening in a small Off Broadway theater *Rent* a modern adaptation of Puccini's *La Bohème* quickly became a worldwide phenomenon with a more zealous and devoted fan base than had any musical in history *Rent FAQ* includes biographical info on the musical's brilliant creator Jonathan Larson who tragically passed away at age 35 the night before the show began preview performances Other chapters focus on the creative team and original cast the development of the script and score from early drafts and workshop performances to the version we know and love today the movie version tours and much more The section *Rent Cultural Literacy* is a guide to all the titles and real people referenced in the show and the East Village and Alphabet City locations that *Rent* helped make famous another chapter provides clues to the characters and tips for anyone thinking about auditioning for the musical or putting on a production A final chapter provides a rundown with numerous photos of revivals and local productions all over the country including regional community and dinner theaters and high school and college versions *Rent FAQ* is a treasure trove of information background and fun facts for the show's devotees as well as anyone who might be lucky enough to be discovering the musical for the first time *The Rent-day* Douglas William Jerrold, 1847 **The Film Renter and Moving Picture News**, 1927 **The Tenants** Bernard Malamud, 2024-09-04 With a new introduction by Aleksandar Hemon In *The Tenants* 1971 Bernard Malamud brought his unerring sense of modern urban life to bear on the conflict between blacks and Jews then inflaming his native Brooklyn The sole tenant in a rundown tenement Henry Lesser is struggling to finish a novel but his solitary pursuit of the sublime grows

complicated when Willie Spearmint a black writer ambivalent toward Jews moves into the building Henry and Willie are artistic rivals and unwilling neighbors and their uneasy peace is disturbed by the presence of Willie's white girlfriend Irene and the landlord Levenspiel's attempts to evict both men and demolish the building This novel's conflict current then is perennial now it reveals the slippery nature of the human condition and the human capacity for violence and undoing
