Resisting Satan And His Deception:

Resisting Satan and His Deception Cary White, 2014-11-22 We as Christians need to get away from the teaching that Satan has no power or that he is a lion that has no claws and no teeth This is exactly what Satan would want you to believe Satan is a liar and the master of it he has deceived all of us at one time or another proof of this is the fact you came to Christ if he had never deceived us then we would have always been with Christ but this is not the case our eyes had to be opened and the message of the Gospel had to be received in order to bring us to the truth Satan has always been deceiving us he makes us believe some sins are not sins or that some truths are not really true He has so cleverly changed media to influence the minds of many He has brought up a new generations that has no understanding of how the family structure is what keeps nations together He has even made most of us Christians to gossip about other people s struggles so that we don t have to look at our own sin The worse thing Satan has done is change the very definition of sin so that some of us don t think we sin at all For example I know people who will attack Christians and gossip about them because they smoke cigarettes now I am not saying that cigarettes are of God but I can tell you one thing the scriptures states that gossip is an actual abomination to the Lord yes an abomination so here we are as representatives of Jesus Christ committing what the Word of God says is an abomination in order to bring negative attention to someone about something the scriptures say nothing about Oh my dear loved ones Satan is alive and well and he has mastered us as his puppets **CHRISTIAN THEOLOGY** Edward D.

Putting Meaning Into Your Moments Robert Hoff, 2022-11-03 God bless the churches that hear the truth obey the truth and teach the truth to others But there are some churches that seem to be competing with the world to see who can self destruct first Hoff in his book Put Meaning Into Your Moments calls them the New Age church He defines their errors as corruption and shows how their leaders are like King Saul who was afraid of the people and did what they demanded Entertainment oriented church programs are like new movies that attract people into a theater After they ve seen it a few times they lose interest Kids who were initially attracted by drums and amps are now losing interest in the church Let s just say it Liberal Christianity does not last It s a fraud The message of the cross of Jesus Christ has the power of God in it and the New Age church isn t preaching it They re just making stuff up Hoff suggests the problem is with their view of the Bible as an inaccurate narrative of creation sin and self To them Jesus is a two thousand year old senior who knows nothing about cell phones so how could He know anything about people today It would be hard to prove this but people who used to attend church are no doubt still yearning for what they didn t find when they were there The largest church in the world would be the reassembling of these precious souls If you can imagine yourself overcoming the frustration that is currently stifling your effect on the world around you then Put Meaning Into Your Moments is your kind of book
