we write for you

Good Morning, My Dear Colleagues,

Today, we have gathered here to bid farewell to our exceptional teacher and a mentor who retired from active service. Yet, today, I realized how time flies.

It gives me immense pleasure to say that (mention the name of the teacher) has taught us a lot about teachers and how to live our lives as responsible and kind individuals. Our dear teacher has imparted not only skills but also valuable ethics to us. There is no doubt in saying that she was our favorite hello, and is our hardest goodbye. There are no words to express our feelings for her, but it is our responsibility to express our sincerest gratitude. It feels like yesterday when she just started her teaching career. Thirty-five years is an easy number to say but once pondered upon it. It's a life that we have spent together as a family.

She is much more than a teacher; she is a mother. She is one woman we could trust blindly and discuss whatsoever we want with her. There is no doubt in saying that she is the epitome of a perfect human being. A human with a beautiful inside out. A free soul. I still remember how we could see her roaming around with a cup of tea and helping anyone she saw on her way. It gives us immense grief to let her go. She has set amazing examples for the young generations to follow. I still remember her one piece of advice, which was "Life to Learn, Learn to live." Having someone like her was no less than a blessing. Our sessions of wisdom in break time were so soulful and relaxing. She always provided us with the most comfortable environment to work in.
