Heroes Masked and Mythic Christopher Wood, 2021-01-18 Epic battles hideous monsters and a host of petty gods the world of Classical mythology continues to fascinate and inspire Heroes like Herakles Achilles and Perseus have influenced Western art and literature for centuries and today are reinvented in the modern superhero What does Iron Man have to do with the Homeric hero Odysseus How does the African warrior Memnon compare with Marvel's Black Panther Do DC's Wonder Woman and Xena the Warrior Princess reflect the tradition of Amazon women such as Penthesileia How does the modern superhero's journey echo that of the epic warrior With fresh insight into ancient Greek texts and historical art this book examines modern superhero archetypes and iconography in comics and film as the crystallization of the hero's journey in the modern imagination

Towards Agamemnon: Totalitarianism Origins & History Benjamin Yang, 2023-01-01 One of the most striking phenomena of the 20th century is totalitarianism In both Europe and Asia different types of totalitarian states and political organisations have emerged fomenting global hatred wars and massacres of civilians Nearly 200 million people were killed as a result of totalitarian wars and political cleansing of populations The totalitarian catastrophe of the last century continues to have a profound impact on global politics and economy in the 21st century For politicians business leaders and civilians around the world it is impossible to ignore the many problems caused by totalitarianism The technological revolutions cultural expressions and changes in business models that we are experiencing are all closely related to it This book traces the origins of totalitarianism from ancient literature to events in the last century About the Author Benjamin Yang was born in China in 1972 A long time resident in Southeast Asia he has work experience in broadcasting research and teaching at Central South University and Hainan University primarily in philosophy and dramaturgy He has published more than 20 academic papers and his major publications include *The Cat in the Closed Chamber* *The Concept of Time and Space* and *the Collective Subconscious* 2013 which discusses how different human communities often have different conceptions of space and time and *Drama and the Rise of Great Powers* 2017 which points out that the birth of every modern western power has been accompanied by the emergence of an iconic theatre master This

book *Towards Agamemnon Totalitarianism Origins History* is the result of his years of research and study in philosophy history politics and literature of both the Western and Eastern worlds Author s words I lived in Phnom Penh Cambodia during the Covid 19 pandemic It is a beautiful and romantic city in the Far East But the shadows of death seems to be creating in a hidden cycle of time The S 21 Concentration Camp where tens of thousands of people under the Khmer Rouge s totalitarian rule was just a fraction of the two million Cambodians who were killed in the political cleansing of the population John and I used translation software to exchange views on politics including totalitarianism The Red Revolution of the last century was like a horrific ideological viral outbreak that killed tens of millions of people during the Bolshevik Revolution the Chinese Cultural Revolution and the Khmer Rouge totalitarian rule The recollections of those horrific periods have indeed diverted our anxiety over Covid 19 My colleague Professor K came to join me in Phnom Penh For a fortuitous reason he led me to discover a secret There exists a literary tradition in the history of the West that is 2500 years old a tradition which had produced the world s most famous plays and films The literary tradition contains the source of power of the West s resistance to totalitarianism over the years The Marxist regime and the Nazi forces created the apocalyptic landscape of the 20th century but they lost out to this tradition in the end This book provides the link between that tradition and causes of totalitarianism through the ages especially those during the 20th century This book traces the origins of totalitarianism from ancient literature to events in the last century Warner's Synopsis of Books Ancient and Modern Hamilton Wright Mabie, Lucia Isabella Gilbert Runkle, Charles Dudley Warner, George H. Warner, 1910 **Homer's Traditional Art** John Miles Foley, 2011-12-31 In recent decades the evidence for an oral epic tradition in ancient Greece has grown enormously along with our ever increasing awareness of worldwide oral traditions John Foley here examines the artistic implications that oral tradition holds for the understanding of the Iliad and Odyssey in order to establish a context for their original performance and modern day reception In *Homer's Traditional Art* Foley addresses three crucially interlocking areas that lead us to a fuller appreciation of the Homeric poems He first explores the reality of Homer as their actual author examining historical and comparative evidence to propose that Homer is a legendary and anthropomorphic figure rather than a real life author He next presents the poetic tradition as a specialized and highly resonant language bristling with idiomatic implication Finally he looks at Homer s overall artistic achievement showing that it is best evaluated via a poetics aimed specifically at works that emerge from oral tradition Along the way Foley offers new perspectives on such topics as characterization and personal interaction in the epics the nature of Penelope s heroism the implications of feasting and lament and the problematic ending of the Odyssey His comparative references to the South Slavic oral epic open up new vistas on Homer s language narrative patterning and identity *Homer's Traditional Art* represents a disentangling of the interwoven strands of orality textuality and verbal art It shows how we can learn to appreciate how Homer s art succeeds not in spite of the oral tradition in which it was composed but rather through its unique agency *Brill's Companion to the*

Reception of Ancient Rhetoric, 2021-12-06 This volume examining the reception of ancient rhetoric aims to demonstrate that the past is always part of the present in the ways in which decisions about crucial political social and economic matters have been made historically or in organic interaction with literature philosophy and culture at the core of the foundation principles of Western thought and values Analysis is meant to cover the broadest possible spectrum of considerations that focus on the totality of rhetorical species i e forensic deliberative and epideictic as they are applied to diversified topics including but not limited to language science religion literature theatre and other cultural processes e g athletics politics and leadership pedagogy and gender studies and cross cultural geographical and temporal contexts **Cassette Books** Library of

Congress. National Library Service for the Blind and Physically Handicapped, 2001 **Feature Films, 1960-1969** Harris M. Lentz III, 2009-12-29 This is a filmography in two volumes of not only all of the English language movies made during the 1960s that had a U S theatrical release but major foreign films exhibited in the United States as well The following information is provided for each film year of release nation of origin if other than the U S production or distribution company black and white or color running time genre production credits cast and characters and a brief synopsis This turbulent decade is unusually interesting in the history of cinema Those films released in the early part of the decade were similar to those of the 1950s but as the years passed the offerings changed in many ways **Dark Directions** Kendall R.

Phillips, 2012-02-28 A Nightmare on Elm Street Halloween Night of the Living Dead These films have been indelibly stamped on moviegoers psyches and are now considered seminal works of horror Guiding readers along the twisted paths between audience auteur and cultural history author Kendall R Phillips reveals the macabre visions of these films directors in Dark Directions Romero Craven Carpenter and the Modern Horror Film Phillips begins by analyzing the works of George Romero focusing on how the body is used cinematically to reflect the duality between society and chaos concluding that the unconstrained bodies of the Living Dead films act as a critical intervention into social norms Phillips then explores the shadowy worlds of director Wes Craven In his study of the films The Serpent and the Rainbow Deadly Friend Swamp Thing Red Eye and Shocker Phillips reveals Craven s vision of technology as inherently dangerous in its ability to cross the gossamer thresholds of the gothic Finally the volume traverses the desolate frontiers of iconic director John Carpenter Through an exploration of such works as Halloween The Fog and In the Mouth of Madness Phillips delves into the director s representations of boundaries and the haunting consequences for those who cross them The first volume ever to address these three artists together Dark Directions is a spine tingling and thought provoking study of the horror genre In analyzing the individual works of Romero Craven and Carpenter Phillips illuminates some of the darkest minds in horror cinema
