Where Have All the Democrats Gone? Ruy Teixeira, John B. Judis, 2023-11-07 A Wall Street Journal Best Political Book of 2023 A much needed wake up call for the Democrats which reveals how the party has lost sight of its core principles and endangered its political future from the authors of one of the most influential political books of the 21st century The New York Times For decades American politics has been plagued by a breakdown between the Democratic and Republican parties in which victory has inevitably led to defeat and vice versa Both parties have lost sight of the people at the center of the American electorate leading to polarization and paralysis In *Where Have All the Democrats Gone* John B Judis and Ruy Teixeira reveal the tectonic changes shaping the country's current political landscape that both pundits and political scientists have missed The Democratic Party once the preserve of small towns as well as big cities and of the industrial working class and the newly immigrated has abandoned and even actively alienated many of these voters In this clarion call and essential argument for common sense and common ground Judis and Teixeira reveal the transformation of American politics and provide a razor sharp critique of where the Democrats have gone awry and how they can avoid political disaster in the days ahead

Geography and Geographers Ron Johnston, James Sidaway, 2015-12-22 Explores the relationship between human and physical geography All chapters updated in the new edition to reflect new literature and changes in the discipline Chapter One systematically considers representations of geographical thought The closing chapter develops an explicit argument about what has made human geography distinctive Draws on a wide reading of the

geographical literature produced during a fifty year period characterised by both growth in the number of academic geographers and substantial shifts in conceptions of the discipline's scientific rationale *The Airline Profit Cycle* Eva-Maria Cronrath, 2017-07-06 The air transport industry has high economic impact it supports more than 60 million jobs worldwide Since the early years of commercial air travel passenger numbers have grown tremendously However for decades airlines financial results have been swinging between profits and losses The airline industry's aggregate net average profit between 1970 and 2010 was close to zero which implies bankruptcies and layoffs in downturns The profit cycle's amplitude has been rising over time which means that problems have become increasingly severe and also shows that the industry may not have learned from the past More stable financial results could not only facilitate airline management decisions and improve investors confidence but also preserve employment This book offers a thorough understanding of the airline profit cycle's causes and drivers and it presents measures to achieve a higher and more stable profitability level This is the first in depth examination of the airline profit cycle The airline industry is modelled as a complex dynamic system which is used for quantitative simulations of what if scenarios These experiments reveal that the general economic environment such as GDP or fuel price developments influence the airline industry's profitability pattern as well as certain regulations or aircraft manufactures policies Yet despite all circumstances simulations show that airlines own management decisions are sufficient to generate higher and more stable profits in the industry This book is useful for aviation industry decision makers investors policy makers and researchers because it explains why the airline industry earns or loses money This knowledge will advance forecasting and market intelligence Furthermore the book offers practitioners different suggestions to sustainably improve the airline industry's profitability The book is also recommended as a case study for system analysis as well as industry cyclicity at graduate or postgraduate level for courses such as engineering economics or management **New**

Businesses Veronika Stefanie Rettenmeier,2014-12-11 Many family businesses fail during succession and sometimes they do because the successor is not granted the legitimacy by primary stakeholders of the company But what does it take to be a legitimate successor in the eyes of these audiences Are there different dimensions of legitimacy And if so do different stakeholder groups value the different dimensions of legitimacy differently This book expands our knowledge of the origin and impact of a successor s legitimacy in family owned businesses after succession By analyzing a successor s legitimacy on five dimensions this work detects whether primary stakeholder groups decisions to continuously provide their resources to

family businesses after succession depend on their perceived legitimacy of the successor and differ depending on the group the stakeholder belongs to This book helps to understand why some successors are more successful than others in reassuring important resources to the company Moreover it helps successor candidates to identify which information they should signal toward a particular stakeholder group and how much weight should be attached to different claims and expectations The findings of this book are based on an innovative paper based policy capturing analysis with family members employees of family businesses and bankers The participants of the experiment assessed more than 3 400 decisions to allocate further resources to the family business after succession depending on their legitimacy judgment **Salvaging Corporate**

Sustainability Barnett, Michael L.,Henriques, Irene,Husted, Bryan W.,2022-03-15 This critical book presents ways to improve the impact of corporate sustainability programs on the ecological and social systems that we rely upon Integrating three decades of multidisciplinary empirical and conceptual research undertaken by three leading management scholars in three countries this book addresses the current state of and the prospects for business to help create a truly sustainable society **Algorithmic Reason** Claudia Aradau,Tobias Blanke,2022-04-25 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations Are algorithms ruling the world today Is artificial intelligence making life and death decisions Are social media companies able to manipulate elections As we are confronted with public and academic anxieties about unprecedented changes this book offers a different analytical prism through which these transformations can be explored Claudia Aradau and Tobias Blanke develop conceptual and methodological tools to understand how algorithmic operations shape the government of self and other They explore the emergence of algorithmic reason through rationalities materializations and interventions and trace how algorithmic rationalities of decomposition recomposition and partitioning are materialized in the construction of dangerous others the power of platforms and the production of economic value The book provides a global transdisciplinary perspective on algorithmic operations drawing on qualitative and digital methods to investigate controversies ranging from mass surveillance and the Cambridge Analytica scandal in the UK to predictive policing in the US and from the use of facial recognition in China and drone targeting in Pakistan to the regulation of hate speech in Germany Marketing Communication in African Languages Abiodun

Salawu,Kehinde Oyesomi,2024-12-23 This edited volume considers the use of African languages for marketing communication The importance of an indigenous language stems from its benefits which include increased comprehension and a sense of resonance among the target audience which makes it more memorable as opposed to foreign languages Chapters in the book variously examine African traditional advertising and marketing popular culture as a channel for advertising and marketing political communication advertising and marketing commercials and public relations in African languages as well as branding corporate and public communication in African languages The use of African languages for

Possible Essay For 2014 Business Studies November Exams Introduction

In today's digital age, the availability of Possible Essay For 2014 Business Studies November Exams books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Possible Essay For 2014 Business Studies November Exams books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Possible Essay For 2014 Business Studies November Exams books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Possible Essay For 2014 Business Studies November Exams versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Possible Essay For 2014 Business Studies November Exams books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Possible Essay For 2014 Business Studies November Exams books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Possible Essay For 2014 Business Studies November Exams books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Possible Essay For 2014 Business Studies November Exams books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Possible Essay For 2014 Business Studies November Exams books and manuals for download and embark on your journey of knowledge?
