Post Colonisation Post Migration Ces Allemands Entre Allemagne Et Roumanie:

Ces Allemands entre Allemagne et Roumanie Gwénola Sebaux, 2015-04-01 *Romania and the Quest for European Identity* Cristian Cercel, 2019-03-15 Exploring the largely positive representations of Romanian Germans predominating in post 1989 Romanian society this book shows that the underlying reasons for German prestige are strongly connected with Romania's endeavors to become European The election in 2014 of Klaus Iohannis as Romania's president was hailed as evidence that the country chose a European future that Iohannis belonged to Romania's tiny German minority was also considered to have played a part in his success Cercel argues that representations of Germans in Romania descendants of twelfth century and eighteenth century colonists become actually a symbolic resource for asserting but also questioning Romania's European identity Such representations link Romania's much desired European belonging with German presence whilst German absence is interpreted as a sign of veering away from Europe Investigating this case of discursive self colonization and this apparent symbolic embrace of the German Other in Romania the book offers a critical study of the discourses associated with Romania's postcommunist Europeanization to contribute a better understanding of contemporary West East relationships in the European context This fresh and insightful approach will interest postgraduates and scholars interested in Central Eastern and Southeastern Europe and in German minorities outside Germany It should also appeal to scholars of memory studies and those interested in the study of otherness in general *The Unchosen Ones* Jannis Panagiotidis, 2019-08-28 This fascinating original well researched and persuasively argued work examines the phenomenon of co ethnic migration in Israel and Germany Sebastian Conrad author of *What Is Global History* Co ethnic migration happens when migrants seek admission to a country based on their purported ethnicity or nationality being the same as the country of destination In *The Unchosen Ones* social historian Jannis Panagiotidis looks at legislation and implementation regarding co ethnic migration in Germany and Israel This study focuses on individual cases ranging from after the Second World War to after the fall of the Berlin Wall where migrants were not allowed to enter the country they sought to make their home These rejections confound notions of an open door or a return to the homeland and present contrasting ideas of descent culture blood and race Questions of historical origins immigrant selection and screening and national belonging are deeply ambiguous complicating migration even in nations that are purported to be ethnically homogenous Through highly original and illuminating analysis Panagiotidis shows that migration is never a simple matter of moving from place to place

Identités, migrations et mobilités transnationales Gwénola Sebaux, 2017-07-06 L intensification et l amplitude des migrations internationales l aube du XXIe si cle placent l Europe devant de nouveaux d fis Au c ur d un syst me migratoire d ampleur in dite il lui faut d urgence laborer une strat gie visionnaire pour assurer ou refonder sa coh rence Condition pr alable la compr hension de son pass migratoire r cent Fès 1912 : le Maroc réfractaire au Protectorat Jean-Jacques Tatin-Gourier, 2017-03-03T00:00:00+01:00 Les mutineries les meutes et la r pression militaire qui ont suivi en avril 1912 la

signature du traité établissant le protectorat français sur le Maroc sont restées dans les mémoires comme les journées sanglantes de Fes. Dans cet ouvrage, l'auteur revient sur cette mémoire ambiguë et fluctuante qui, bien que souvent réduite au silence au nom des bienfaits d'une colonisation en plein essor, a profondément marqué l'imaginaire de Fes et du Maroc. Il rappelle que par-delà les clichés d'une abondante littérature touristique, la perspective d'un retour des violences de 1912 hante deux œuvres romanesques qui inscrivent Fes dans leur trame narrative : *La Rose de sable* de Montherlant (1932) et *La Conquérante* de Brasillach (1942-1943).

Fuite et expulsions des Allemands : transnationalité et représentations, 19e-21e siècle Carola Hähnel-Mesnard, Dominique Herbet, 2016-01-01. L'histoire de la fuite et des expulsions entre 1944 et 1950 d'environ 12-14 millions d'Allemands vivant dans les territoires de l'Est a constitué un élément majeur de la question allemande jusqu'à la fin de la Guerre froide et l'unification allemande. Depuis une quinzaine d'années, dans un contexte géopolitique différent, ces événements.

Allemagne d'aujourd'hui, n°217/juillet - septembre 2016 Jean-Louis Georget, Jean-Jacques Alcandre, 2016-09-27. Après un rappel de la politique coloniale de l'Allemagne impériale et de l'actualité de Leo Frobenius, ce dossier tente de saisir les développements de la politique africaine de l'Allemagne d'aujourd'hui dans les domaines politique et militaire, économique et culturel.

Allemagne d'aujourd'hui, n°220/avril - juin 2017 Guillaume Robin, Jean-Louis Georget, 2017-06-16. L'intérêt de la recherche académique pour la danse n'est pas nouveau car dès la Renaissance, on recensait des crits en langue allemande sur la danse, mais il est de constater qu'il s'est accru ces dernières années. Cet engouement académique récent se manifeste à travers les colloques et les journées d'études. Cet intérêt du monde
