

POST SECONDARY SUCCUBUS COLLECTION

The background of the entire image is a complex, abstract painting. It features a central, realistic-looking face of a woman with light skin and dark hair, looking slightly to the right with a gentle smile. A dark, curved horn or appendage extends from the top left of her head. On her forehead, there is a small, dark, horn-like protrusion. The face is surrounded by a swirling, ethereal atmosphere of colors including deep blues, purples, pinks, and greens. The overall style is a blend of realism and fantasy art.

Lord of the Isle Nicholas Courtney, 2013-12-01 Born to an immensely rich Victorian industrial family Colin Tennant used his wealth to live an eccentric lifestyle of self indulgence from the 1940s to his death in 2010 He bought the private island of Mustique in the West Indies and made it one of the most exclusive destinations for the famous royalty film and pop stars international businessmen and jet setters flocked there His parties were legendary He was an original member of the Princess Margaret set even suggested as a possible husband and her visits to the island were always newsworthy As Tennant's literary executor Nicholas Courtney personally knew his subject and had access to unseen family papers and photographs He tells the inside story of Tennant's remarkable and often tragic life which continues to cause ripples even after his death

Popobawa Katrina Daly Thompson, 2017-02-06 Bravely takes on not the legendary shapeshifting creature spoken about sporadically on the Swahili coast of Tanzania but rather popobawa discourse The Journal of Modern African Studies Since the 1960s people on the islands off the coast of Tanzania have talked about being attacked by a mysterious creature called Popobawa a shapeshifter often described as having an enormous penis Popobawa's recurring attacks have become a popular subject for stories conversation gossip and humor that has spread far beyond East Africa Katrina Daly Thompson shows that talk about Popobawa becomes a tool that Swahili speakers use for various creative purposes such as subverting gender segregation advertising homosexuality or discussing female sexuality By situating Popobawa discourse within the social and cultural world of the Swahili Coast as well as the wider world of global popular culture Thompson demonstrates that uses of this legend are more diverse and complex than previously thought and provides insight into how women and men communicate in a place where taboo prohibition and restraint remain powerful cultural forces While Popobawa surely belongs to one of the most interesting African legends Katrina Daly Thompson instead of asking

where the story originated asks about how people talk about this trickster and what these conversations really mean Claudia Boehme University of Trier A well researched and well documented addition to the body of knowledge on local legends and their global manifestations Journal of Folklore Research Thompson s movement between local and global discourses demonstrates the importance of a phenomenon that could otherwise be viewed as exotic ethnographic trivia while her theoretical orientation makes the text as relevant to linguistic anthropologists as to African studies scholars African Studies Review
