that Britain's wealth might fall into German hands in an audacious yet visionary decision newly installed prime minister Winston Churchill authorized the evacuation of nearly all of Britain's liquid assets. *Wealth of an Empire* uses previously unused and unavailable original documents including those from the British National Archives, the Bank of England's archives, the Imperial War Museum and the Bank of Canada's archives to shed new light on this underexplored aspect of Britain's wartime history. *Resources in Education*, 1986. **Doubleday, Page & Co.'s Geographical Manual and New Atlas**.
