Potter and Perry's Fundamentals of Nursing 4th ANZ edition ebook is the leading fundamentals text for nursing students in Australia and New Zealand. The dynamic fourth edition of Potter and Perry's Fundamentals of Nursing presents an engaging approach to the fundamentals of nursing while building on its renowned reputation as the foremost text for nursing students across Australia and New Zealand. The new editorial team presents a critical thinking approach to encourage the critical skills and understandings students require to maintain a high level of active engagement in the development of their practice within the health care systems they will work throughout their careers. Meaningful clinical examples combined with critical thinking questions promote reflection and support deeper learning. These examples underscore how putting quality nursing knowledge and skills into practice can mean the difference between patient recovery and independence versus life threatening complications and patient decline. Current research examples encourage students to see the dynamic nature of evidence for nursing practice and gain understanding that ongoing change in practice is the norm and should be embraced. Potter and Perry's Fundamentals of Nursing 4th ANZ edition ebook is supported by the Fundamentals of Nursing clinical skills workbook 2nd edition. The skills in this indispensable workbook are directly aligned to the National Competency Standards for the Registered Nurse for Australia and New Zealand and support the theory and practice of each skill. A mobile study app for iOS called ClinicalCases is also available via the Apple App store for purchase. The ClinicalCases app takes an engaging approach to learning and revision. Students will find it the perfect exam preparation and study tool. It consists of 24 progressive case studies with MCQs and explanations for all answers.
