deeper she uncovers a disturbing connection each of the missing women has a connection to a well known resident of the small town With the community in turmoil the man becomes the target of relentless social media persecution As the pressure mounts Bec must navigate public outcry a volatile investigation and her own doubts to uncover the truth before the killer strikes again leaving little time to focus on her growing relationship with Detective Inspector Todd Davenport In *Shadows on the Shore* a seemingly peaceful paradise becomes the setting for a deadly game of secrets vengeance and the fragile line between truth and rumour Will Bec uncover the real killer before the community's relentless pursuit of justice leads to more bloodshed

Every Assistance & Protection Jane Doulman, David Lee, 2008 Every Assistance and Protection is the first book presenting an in depth history of the Australian passport In charting the development of the passport from its early beginnings to its present form the book traverses changes in government policy and social history from the early 19th century to the modern era It shows how the Australian passport evolved from a signifier of British nationality into a badge of membership of one of the most multicultural countries in the world The book explores the landmark events in this history the great 19th century diasporas resulting from relaxation of official controls on the movement of people the early passport regime regulating the movement of ticket of leave convicts the establishment of the centralised passport system during World War I the enactment of the first passport legislation for the Commonwealth The Passports Act 1920 and the reaction of some Australians who felt the new law infringed the liberties of the British subject changes to the laws in 1938 such that possession of a passport was no longer mandatory for an Australian to travel though still a practical necessity the use of the government's discretionary power to cancel or withhold passports to inhibit the movement of individual communists the establishment of Australian citizenship in 1948 the basis for possession of an Australian passport the removal of the word British from the cover in 1967 the effects of globalisation and heightened security in the late 20th and early 21st century It also touches on the lives of individuals boxer Les Darcy journalist Wilfred Burchett and General Sir Thomas Blamey are among the many Australians featuring in these pages The book is based on an exhaustive examination of hitherto unexamined primary sources of many government departments including the Departments of External Affairs the Prime Minister's the Attorney General's Defence Home and Territories Immigration and Foreign Affairs Sponsored by Department of Foreign Affairs and Trade

A People's History of the Cold War Colin Turbett, 2023-03-23 Between the closing battles of the Second World War and the collapse of the Soviet Union in 1991 the Cold War cast a shadow over the lives of people throughout the world while open conflict was avoided between the ideologically competing superpowers and their principal allies millions died in battlegrounds in parts of the world that were usually far from Moscow Washington and London The threat of nuclear annihilation was omnipresent but at the same time mutually assured destruction tempered conflict and focused minds Subtle and not so subtle attempts to influence popular opinion either way were apparent in everyday life on both sides of the divide while the power of the dollar and the burgeoning costs of the arms race eventually broke the Soviet

economy the idea that capitalism won the the Cold War seems misplaced especially if one considers events that have happened since including very recent armed conflict The book takes the reader through main events of the period but focuses on the impact on ordinary citizens East and West and the view of events from their perspective This is a story of how economies on both sides were built around war preparations and the advance of destructive technologies that had no social benefits apart from the provision of employment Sources used are unusual in not fitting the western based narratives that pervade both academic histories and popular accounts However this book is not an apology for the more oppressive aspects of Soviet policy as the USSR struggled to build really existing socialism within its own borders and the Eastern Bloc countries under its immediate influence Instead it brings a people s perspective from both sides onto this important period of recent history whose consequences are very much still with us as we face modern challenges around climate change and growing inequality across our world A People s History of the Cold War Stories from East and West captures the mood of the times with its extensive contemporary illustrations

Archives and Societal Provenance Michael Piggott,2012-10-22 Records and archival arrangements in Australia are globally relevant because Australia s indigenous people represent the oldest living culture in the world and because modern Australia is an ex colonial society now heavily multicultural in outlook Archives and Societal Provenance explores this distinctiveness using the theoretical concept of societal provenance as propounded by Canadian archival scholars led by Dr Tom Nesmith The book s seventeen essays blend new writing and re workings of earlier work comprising the fi rst text to apply a societal provenance perspective to a national setting After a prologue by Professor Michael Moss entitled A prologue to the afterlife this title consists of four sections The first considers historical themes in Australian recordkeeping The second covers some of the institutions which make the Australian archival story distinctive such as the Australian War Memorial and prime ministerial libraries The third discusses the formation of archives The fourth and final part explores debates surrounding archives in Australia The book concludes by considering the notion of an archival afterlife Presents material from a life s career working and thinking about archives and records and their multiple relationships with history biography culture and society The first book to focus specifically on the Australian archival scene Covers a wide variety of themes including the theoretical concept of the records continuum census records destruction Prime Ministerial Libraries and the documentation of war **Parts 6-9** Australian Royal Commission of Inquiry into Drugs,1980 Annual Report of the Attorney General for the Year ...
