Gas prices are lower than a year ago but are rising. Although it was lower still hurts the wallet every time you meet. Read on to find out how you can save money by using free gas cards.

First, there are several types of gas cards. Here's a short list of types that are available:

Credit card gas card

It is fundamentally a different credit card for you to carry and use to charge their fuel purchases. They give back 15 cents per gallon to buy. However, the trick used is to limit the amount of credit you can get per month. You could end up saving a few dollars per month and interest rates on these can be very high. However, if you're good to pay their bill by credit card on time then it is a good choice for you.
