

Manager & Report

📌 Welcome to the Notion template for managing your direct reports, modelled on exactly how I manage my reports at work.

1. Make one of these for each of your direct reports.
2. Share the page with them in Notion, it should be a shared space for both of you.
3. I've included helpful guides on how to use the page with the callouts (look for the 📌), delete them when you're comfortable.

If you find this useful, please follow me on Twitter for more helpful guides on building software, and managing software engineers. I'm always excited to hear feedback, and connecting with people who are leading software teams.
