The Professional Housekeeper Madelin Schneider, Georgina Tucker, Mary Scoviak, 1998-12-07 The new edition of this market leader offers an overview of hotel operations while emphasising the role that housekeeping plays in ensuring and maintaining guest satisfaction

No Work and All Play Roger Wagner, 2011-05-26 The contents of the book describe the many examples of the types of characters and crazy daily episodes that an average person who selects a career in casino hotel management will witness and are part of during a lifetime in such a career The book is really not about me but it is a lifetime chronicle of my career where every work day is fun and there is almost never any drudgery The three most interesting characters in the book are none other than a tycoon named Donald Trump a Casino

Icon named Jack Binion and a baseball legend named Mickey Mantle The book also describes many other very interesting real life persons in my career from Mob connected people to other well known casino operators of their day Most of these characters are not famous celebrities but their stories are sometimes even more humorous than those of Trump or Mantle The stories about these people are real and actually happened although the actual dates may be incorrect in some cases and some of the intricate details may be embellished to improve the stories None of the tales degrade any of the characters in my book but I do tell humorous stories about all of them that demonstrate they all have to put their pants on one leg at a time like the rest of us It is not a text book but it can serve as a good primer for a person considering making gaming hospitality their career objective The seven different sections of the book are written to show how a person entering a casino hospitality position might evolve from the lowest level in a casino organization to a very high level of management and that it generally takes many years to accomplish It also describes the different relationships that one develops in any type of business and I use real people to illustrate how they each fit into the different types of relationships *Restaurant Management* ,1939
