A well-known early childhood author joins with a literacy expert to offer a brand new approach to early literacy in preschool leading into kindergarten reading. Teachers are asked to make a paradigm shift in regard to their opinion of children's books as mere sources of entertainment. This text uses picture books as keys to unlocking an entire curriculum of literacy activities with cultural book characters like real children leading preschool and kindergarten listeners into learning centers filled with exciting literacy activities for them to pursue on their own. Teacher-oriented are discussed along with suggestions on how and when to use each.
