forgiving and teaching He cleansed the temple condemned the hypocrisy of Jerusalem's religious leaders and prophesied the destruction of the city and temple On the night before His crucifixion Jesus met with his disciples taught them and instituted the ordinance of the sacrament Then He retreated to the Garden of Gethsemane where by some process that is beyond our comprehension He suffered for the sins sorrows disappointments disabilities pains and unjust circumstances of every living child of God in every part of our vast universe in every dispensation of time Jesus is then betrayed arrested and illegally tried He declares himself to be the Son of God endures hateful and humiliating insults and is condemned to death He suffers unspeakable torture concluding with His being nailed to a cross He died ministered to the spirits in the Spirit World then rose from the dead He taught His disciples for 40 days then ascended into heaven with a promise that one day He would return in great power It was without doubt the most consequential week of human history Dr Randal S Chase a veteran CES and Institute instructor provides insights into these in a relaxed and understandable style Readers will find themselves gaining insights and understanding about the week of atoning sacrifice that may have eluded them before The cover features the stunning image of the crosses on Golgatha by Carl Bloch
