Revelation of Jesus Christ Grace Chung, 2025-08-25 I was raised by my mother and my grandmother who were very devout Christians and who had believed in Jesus for four generations We all attended a Presbyterian church in South Korea and especially my grandmother handed down her faith in Jesus to me through teaching me the bible and singing hymns for me The reason I translated this book was this The elder pastor from one of my former churches that I had attended asked me to interpret his sermons that he meditated on the words of Revelation When I refused to interpret his sermons Jesus appeared to me once in a cloud and confirmed me to translate his sermons from Korean to English So I obeyed the will of Jesus and interpreted his sermons from Korean to English While I was translating this book I saw Jesus shining His light upon me from Heaven Sometimes I could see even an angel pouring a jar of living water on me when I was translating this book from Korean to English While I was translating this book at 2 in the morning I even saw a mighty angel coming down from heaven whose face was so shining like the sun and whose voice was like the seven thunders This is the reason why I started interpreting this book This book is the words of God explaining about the book of Revelation and the end time It gives us the God's explanation about the plagues of seven bowls the perdition of the world the white throne judgment and heaven at the end This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world While I was translating this book Jesus showed me a pure river of life flowing from the top of the mountain to the sea Jesus showed me that this message of the words of Revelation must be the pure water of water flowing from the throne of God in heaven which will restore the spirits of people to life I wish you will all read these three books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end after all If you are pastors you can also preach these messages to your congregation since Jesus said not to

close this book but to read and keep the things written in the book of Revelation I pray that whoever reads and keeps the things written in these books of the words of Revelation meet Jesus and be blessed according to the words written in the book of Revelation while they live in this world and enter into heaven after all I wish we will all meet in heaven someday May God bless you all Revelation: the End of Time and the Eternal King The Daily Grace Co.,2025-08 **Revelation Book III: Chapters 6-11** Randy Green,2016-03-02 The sky is falling No Chicken Little isn't back in vogue But the end times are upon us Has your attention been drawn to such themes as Armageddon the Apocalypse antichrist the Rapture and other such events TV and movies are including them in ever increasing measure The same thing happened at the time of Jesus birth circa 7 B C When the time draws near for Biblical prophecies to be fulfilled God gets folks interested in them What does that tell us about today The Heavenly Citizens series serves as a tool to help the Christian understand not only what the Bible teaches us but also how to study the Bible Explaining what the Bible teaches is like giving someone a fish to eat Teaching him how to study the Bible is like teaching someone how to fish so he can feed himself Both approaches are essential to developing spiritual maturity Revelation is the eleventh volume in the Heavenly Citizens series The Apostle John was exiled by the Roman emperor to the island of Patmos in the Aegean Sea off modern Turkey In the solitude he had there he was visited by Messiah Jesus The Lord gave him a vision of Himself glorified a vision even more glorious than what John witnessed on the Mount of Transfiguration Jesus followed that with a portrayal of the entire Church Age and then gave a vivid account of the end times It is customary for folks today to flock to end times stories We are fascinated by what we don't know and we want to get the latest scoop on the unknown so that we can be one up on everyone else But that is not the purpose for which God reveals the future to us as we can ascertain by a quick reading of Deuteronomy 29:29 In keeping with God's purpose we spend our time in studying Revelation by limiting the guess work which serves only to tickle our fancy and in its place substitute a practical application of the text to our lives for today Why did Messiah Jesus reveal these events to the Apostle John What are we to learn from this revelation that will help us to live each day like God calls us to live Yes this revelation is long and full of exciting details so we wouldn't dream of leaving any of that out Truth be told we spend considerable time on each and every verse in the Book of Revelation But if we leave it at that then we have failed God and ourselves Messiah Jesus didn't die so that we can be smart and intellectual He died so that we might have new life His life in us That is our guiding principle in studying the Book of Revelation viz how to make better disciples for our Lord The approach for Revelation and for every volume in the Heavenly Citizens series is to teach the student the meaning of Scripture We also teach him or her how to study the Bible on his/her own We do this in two ways we provide a few rules by which to govern our Bible study and we demonstrate by example how to study the Bible Experience is an outstanding teacher In our books we practice the rules for Bible study By walking through the Bible with us the reader experiences firsthand what our method of study is like We believe the student will come out of our studies with both an understanding of the Bible and the

ability to truthfully understand the Bible on his/her own The path lies before you Walk through the gate and join the journey with us And may the blessings of the Lord Jesus Christ be yours in abundance
