

QUESTION 10: Which of the following is not a type of business structure?

- Sole proprietorship
- Partnership
- Limited liability company (LLC)
- Corporation
- Government-owned business (Not a business structure)

10.10: Entrepreneurship

Entrepreneurship is the process of creating a new business or product. It involves identifying a market need, developing a business plan, securing funding, and launching the business. Entrepreneurs are individuals who take on the risk of starting a new business and are responsible for its success or failure. They are often characterized by their creativity, innovation, and ability to take action.

Entrepreneurship is a key driver of economic growth and job creation. It allows individuals to turn their ideas into reality and create new opportunities for themselves and others. Entrepreneurs are often seen as the backbone of the economy, as they are responsible for creating new products, services, and businesses that drive innovation and progress.

10.11: Types of Entrepreneurship: Social vs. Commercial vs. Non-Profit

There are three main types of entrepreneurship: social, commercial, and non-profit. Social entrepreneurship focuses on creating social value and addressing social issues. Commercial entrepreneurship focuses on creating financial value and generating profit. Non-profit entrepreneurship focuses on creating social value and generating revenue to support their mission.
