Divine Audacity Linda Martella-Whitsette,2025-09-12 Experience Oneness with the Divine and Light Up the World On the publication of her first book Larry Dossey MD author of Prayer Is Good Medicine wrote Martella Whitsett is a wise guide Her new book makes the audacious claim that each of us can be the light of the world Jesus instructed his followers to be Martella Whitsett offers a path for living a deep and authentic life outside of the strictures of traditional religious categories A refreshing approach in essence on how to be spiritual without being religious We need to

jettison the idea of a God who is out there and above us God is not a super human who gives and takes punishes and rewards God does not require human suffering and repentance We truly find God when we go inside to connect with divine light realize our oneness with God and others and let our light shine in the world Martella Whittset looks at what divine light is and how it is both audacious and normal to claim it for ourselves Next she introduces us to 12 spiritual powers we can all develop and learn to use on a daily basis faith understanding will imagination zeal power love wisdom strength order release and life itself When we consciously shine our spiritual powers on ourselves not only are our lives improved but all of humanity can be enriched and transformed Let your light shine *The Hidden Gospel* Neil Douglas-Klotz, 2012-12-13 In two previous books Neil Douglas Klotz pioneered a radical new way of translating the words of Jesus filtering them through the imagistic worldview of the Aramaic language which Jesus himself spoke Seen through this lens familiar sayings such as Blessed are the meek come into vibrant contemporary focus as Healthy are those who have softened what is rigid within In *The Hidden Gospel* Douglas Klotz employs this approach to decode the spiritual and prophetic messages hidden within key words and concepts in the sayings and stories of Jesus We learn to our delight for instance that when Jesus spoke of goodness he used a word which in Aramaic means ripe and refers to actions which are in time and tune with the Sacred Unity of all life *The Hidden Gospel* aims to bridge the gap between the historical Jesus of the scholar and the Jesus of faith of Christian believers It will appeal to everyone looking for an alternative spiritual vision of Jesus and his message
