STEP 2

Now use one red and one blue opaque disc to see if your expected results from the Punnet square match your actual results. On the red opaque disc, write a capital "T" on each side. On the blue disc, write a lowercase "t" on each side. Place 2 discs in a cup. Shake the cup and toss the coins on your desk. Repeat this step several times.

a) What are the genotypes that always show up?

b) What is the phenotype of the entire F1 generation? Explain.

STEP 3

To visualize how a dominant trait can actually mask the effects of a recessive trait your students will place a green and a yellow transparent disc on top of each other. They should hold them together and look through them at a light. Which color is visible? Which is the dominant trait in this simulation?

Questions

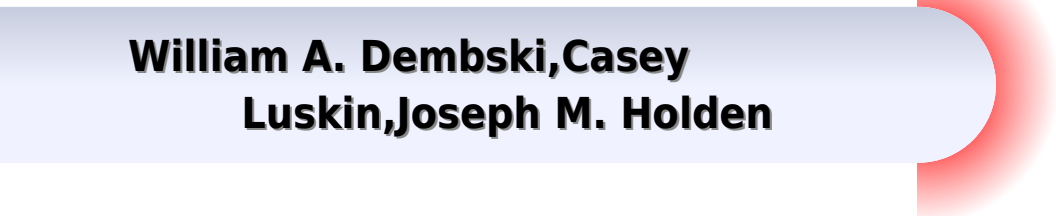

1. Is it possible for two organisms to have different genotypes but the same phenotype? Explain your answer.

2. Is the F1 generation homozygous or heterozygous for height?

3. In dogs, wire hair is due to a dominant gene. Is it possible to mate 2 wire-hair dogs that would produce a puppy with smooth hair? What are the genotypes of the two parent dogs?

A Christian Student'S Guide to Truth in Science Stanley J. O'Briant, 2015-03-13 This book exposes the attempt to teach atheistic evolution to students often ridiculing their faith in God The classrooms in our schools have become the battlegrounds for the minds of our children Since the introduction of evolution by Charles Darwin there has been a growing list of atheist professors who vigorously fight any religion The classrooms of America should not be the battlegrounds of any religion but evolution is a religion It has no place in the classroom since it does not offer any information that improves the teaching of any science class except evolution itself There is no proof of evolution only assertions innuendos credulity belief without proof and suppositions Fully one third of all geology textbooks deal with evolution which is founded only opinion and undocumented assertions Therefore it should be removed from all textbooks Dr David Menton who taught medicine at the Washington School of Medicine in St Louis Missouri for twenty five years stated that he never once needed to reference evolution in any medical class A coalition of organizations such as the National Academy of Sciences whose members are 93% atheist or agnostic and the National Center for Science and Education control most of the government grants intended for schools use fully support the atheism of evolution and they attack any criticism of evolution *Project Earth Science* Alfredo L. Teachers as Researchers Joe L. Kincheloe, 2003 This book provides a critique of teachers work in a era marked by top down technical standards It urges teachers to engage in the debate on educational research by undertaking meaningful teacher research

Teachers as Researchers (Classic Edition) Joe Kincheloe, 2012-01-30 Teachers as Researchers urges teachers as both producers and consumers of knowledge to engage in the debate about educational research by undertaking meaningful research themselves Teachers are being encouraged to

carry out research in order to improve their effectiveness in the classroom but this book suggests that they also reflect on and challenge the reductionist and technicist methods that promote a top down system of education It argues that only by engaging in complex critical research will teachers rediscover their professional status empower their practice in the classroom and improve the quality of education for their pupils Now released to introduce this classic guide for teachers the new edition of *Teachers as Researchers* now also includes an introductory chapter by Shirley R Steinberg that sets the book within the context of both the subject and the historical perspective In addition she also provides information on some key writing that extends the bibliography of this influential book thereby bringing the material fully up to date with current research Postgraduate students of education and experienced teachers will find much to inspire and encourage them in this definitive book
