Neoclassicism and Romanticism Achim Bednorz, 2010 art forms treatments subjects **Neo Classicism and Romanticism, 1750-1848** Rolf Toman, 2000 **A Companion to Greek Architecture** Margaret M. Miles, 2020-05-05 A Companion to Greek Architecture provides an expansive overview of the topic including design engineering and construction as well as theory reception and lasting impact Covers both sacred and secular structures and complexes with particular attention to architectural decoration such as sculpture interior design floor mosaics and wall painting Makes use of new research from computer driven technologies the study of inscriptions and archaeological evidence and recently excavated buildings Brings together original scholarship from an esteemed group of archaeologists and art historians Presents the most up to date English language coverage of Greek architecture in several decades while also sketching out important areas and structures in need of further research **Nineteenth-Century Art** Laurie Schneider Adams, 2014-10-02 Munch s The Scream Van Gogh s Starry Night Rodin s The Thinker Monet s water lilies Constable s landscapes The nineteenth century gave us a wealth of artistic riches so memorable in their genius that we can picture many of them at an instant However at the time their avant garde nature was the cause of much controversy Professor Laurie Schneider Adams brings vividly to life the paintings sculpture photography and architecture of the period vividly with her infectious enthusiasm for art and detailed explorations of individual works Offering fascinating biographical details and the relevant social political and cultural context Adams provides the reader with an understanding of both how revolutionary the works were at the time and of their enduring appeal **The Enlightenment in America, 1720-1825 Vol 1** Jose R Torre, 2024-10-28 Aims to modify the periodization for the American Enlightenment Americans did accept an early and moderate Enlightenment characterised by the work of Locke and Newton This collection highlights the functional nature of the Enlightenment in America **The Political Economy of Sentiment** Jose R Torre, 2015-09-30 Situates changes in the nature of money and the rise of sophisticated financial structures at the centre of the Enlightenment This work argues that paper credit instruments were causal critical to the larger epistemological and psychological changes associated with the Enlightenment s reconstruction of value 19th-century Art Robert Rosenblum, Horst Woldemar Janson, 2005 Originally published twenty years ago Nineteenth Century Art Second Edition remains true to the original with its superior survey of Western painting and sculpture presented in four historical parts beginning in 1776 and ending with the dawn of the new century This book draws on the historical documentation of the period tracing the dynamics of the making and viewing of art and examining the reciprocal influences of art and technology art and politics art and literature art and music For nineteenth century art enthusiasts **Beauty and the Gods** Hugo Shakeshaft, 2025-03-25 How ideas and experiences of beauty informed human relationships with the divine in ancient Greece Beginning with the earliest Greek literature the epics of Homer and Hesiod beauty was seen as having a special connection with the divine The gods of ancient Greece were defined by their exceptional

beauty even today to look like a Greek god is proverbial for human beauty In *Beauty and the Gods* Hugo Shakeshaft explores the relationship between the beautiful and divine in ancient Greece principally in the Archaic period ca 750-480 BCE Analysing evidence that ranges from poetry art and philosophical texts to architecture and the natural landscape Shakeshaft shows how ideas and experiences of beauty shaped Greek relations with the divine With a powerful call for the place of beauty and aesthetics in the writing of history Shakeshaft uncovers the cultural dialogue between beauty and the gods in a variety of contexts in the Archaic Greek world in forms of divine worship in poetry music and dance in attitudes to the natural environment and in architecture and art This early chapter of Greek history he argues holds an unrecognised key to understanding some long running threads in the histories of religion art and aesthetics from Plato's aesthetic theories to beauty's status in contemporary discourse Beauty's deep past and divine connection in ancient Greece can help us see beauty now in sharper focus **Historical Dictionary of Romantic Art and Architecture** Allison Lee Palmer, 2019-07-26

Romanticism is multifaceted and a wide range of nostalgic emotional and exotic concerns were expressed in such styles and movements as the Gothic Revival Classical Revival Orientalism and the Pre-Raphaelite Brotherhood Some movements were regional and subject specific such as the Hudson River School of landscape painting in the United States and the German Nazarene movement which focused primarily on religious art in Rome The movements range across Western Europe and include the United States This dictionary will provide a fuller historical context for Romanticism and enable the reader to identify major trends and explore artists of the period This second edition of *Historical Dictionary of Romantic Art and Architecture* contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross-referenced entries on major artists of the romantic era as well as entries on related art movements styles aesthetic philosophies and philosophers This book is an excellent resource for students researchers and anyone wanting to know more about Romantic art **Art, City, Spectacle**, 2005 *The Art of Architectural Drawing* Thomas Wells Schaller, 1997-03-18

Lavishly illustrated this book thoughtfully presents and discusses architectural images which both derive from and inspire the act of building Beautiful illustrations fill the pages paying tribute to the process of image making as an exercise of the imagination Also covered are techniques for composing architectural images including how to employ the best media and graphic devices and more 157 b/w illus 50 color illus **Neoclassicism and Romanticism** Silvestra Bietoletti, 2009

Neoclassicism which arose during the 18th Century's Age of Enlightenment was inspired by the rationality simplicity and grandeur of ancient Greece and Rome This book focuses on the influential Neoclassic and Romantic art movements It illuminates the ideas and events that shaped this era of artistic ferment **The Henry Clay Frick Houses** Martha Frick Symington Sanger, 2001 In its tales of the magnificent houses in which the Henry Clay Frick family lived this book offers a richly illustrated and deeply honed story **BOOK JACKET** *An Introduction to the History of Architecture, Art & Design* George T Gray, 2021-10-04 *An Introduction to the History of Architecture* Art Design chronicles the times in which major

works of architecture art and design were created and is compact with features and images of major artworks from each art and design period The best examples from each period are illustrated together with their famous creators alongside timelines that track the evolution of the artistic disciplines throughout history **History of Art and Architecture** Joann

Lacey,2021-01-23 This is a survey of the history of art and architecture of Western civilizations The textbook extends from the age of the Renaissance until the end of the 20th Century The textbook includes illustrations graphs and reconstruction images curated from Creative Commons material The textbook includes original text not protected intellectual property

The Enlightenment in America, 1720-1825 Jose R. Torre,2008 Aims to modify the periodization for the American Enlightenment Americans did accept an early and moderate Enlightenment characterised by the work of Locke and Newton This collection highlights the functional nature of the Enlightenment in America *Historical Dictionary of Neoclassical Art and Architecture* Allison Lee Palmer,2020-05-15 Neoclassicism refers to the revival of classical art and architecture beginning in Europe in the 1750s until around 1830 with late neoclassicism lingering through the 1870s It is a highly complex movement that brought together seemingly disparate issues into a new and culturally rich era one that was unified under a broad interest in classical antiquity The movement was born in Italy and France and spread across Europe to Russia and the United States It was motivated by a desire to use ideas from antiquity to help address modern social economic and political issues in Europe and neoclassicism came to be viewed as a style and philosophy that offered a sense of purpose and dignity to art following the new enlightened thinking This second edition of *Historical Dictionary of Neoclassical Art and Architecture* contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries cover late Baroque and Rococo tendencies found in the early 18th century and span the century to include artists who moved from neoclassicism to early romanticism This book is an excellent resource for students researchers and anyone wanting to know more about neoclassical art and architecture *30-Second Great Art* Lee Beard,2018-10-04 The great painting and sculpture of the past is the indispensable backbone of most people s visual library but wrangling centuries of wonderful works by thousands of artists into a digestible form that allows you to focus on their detail and direction can be tough Enter *30 Second Great Art* It takes readers on an engrossing tour of 50 top flight works by artists from Giotto to Marlene Dumas including a full page reproduction of each one accompanied by text that puts it in the context of the world in which it was created and adds another piece to the jigsaw puzzle of the history of art Along the way special spreads will offer insights into the collectors and critics of the past as well as its creators and a glossary for each chapter will explain specialist terms Succinct lively descriptions make for speedy and enjoyable reading it s like taking a trip round the world s greatest art gallery *Thesaurus of ERIC Descriptors* ,1975 **Humanizing Visual Design** Charles Kostelnick,2019-03-28 This book analyzes the role that human forms play in visualizing practical information and in making that information understandable accessible inviting and meaningful to readers in short humanizing it Although human figures have long been deployed in

practical communication their uses in this context have received little systematic analysis Drawing on rhetorical theory art history design studies and historical and contemporary examples the book explores the many rhetorical purposes that human forms play in functional pictures including empowering readers narrating processes invoking social and cultural identities fostering pathos appeals and visualizing data The book is aimed at scholars teachers and practitioners in business technical and professional communication as well as an interdisciplinary audience in rhetoric art and design journalism engineering marketing science and history
