Realistic Mixer Manual:

HEADZ-zINe: Vol. 1, 'REGIONS-UK', Issue 2 Dr Adam de Paor-Evans, 2021-01-07 HEADZ zINe is a periodical output of the HEADZ Project Taking the approach of a fanzine with a critical edge it challenges the convention of academic knowledge production and dissemination HEADZ zINe seeks to capture the personal local and communal histories of hip hop HEADZ zINe is foremost interested in the stories of its co authors and through a series of in depth discussions and complimentary analysis of the artefacts and archives of hip hop HEADZ zINe reveals a set of previously untold stories When we talk about hip hop culture and hip hop history we rarely talk about 50 year olds from the far flung corners of the UK predominantly corners constructed of white majority space where hip hop culture would never have been thought to have existed in the 1980s However as hip hop culture exploded across the globe it infiltrated the remotest inhabited parts of the world This second issue in Volume 1 of HEADz zINe focuses on pioneering hip hop practitioners and adopters from Devon and Cornwall Much like the personal histories shared in issue 1 by those that grew up in the North West of England there are stories here of limited access to hip hop and a shared sense of desire for fully absorbing the culture or as much as could be absorbed considering communication and societal practices of the era and the region s cultural context The hunger for knowing about hip hop and knowing hip hop became paramount in the lives of some young Westcountry people and in this issue the personal histories of twelve hip hop practitioners and adopters growing up in the provincial cities of Exeter and Plymouth the local towns of Bradninch Camborne and Sidmouth and the villages of Newton Poppleford and Buckland Monachorum are presented This issue focuses on the formative and arguably most important decade for the evolution of provincial hip hop in Devon and Cornwall 1983 1992 However not all co authors discuss this period but rather have focused on specific periods of time within this developmental decade Almost 40 years on from its arrival in Britain this issue presents twelve conversations with its co authors to demonstrate hip hop s girth reach and power Furthermore the narratives here also attest to hip hop s influence on how it has shaped the lives of this issue s co authors by equipping them with a creative and technological skillset how to approach everyday life or understanding their own personal histories and cultural identities from The Westcountry to London to Tanzania to India to Pakistan questioning forms of Englishness and Britishness
